*A Daughter's Gift of Love is the amazing survival story of a young girl, her mother, and her experience in the holocaust. The author portrays this story by the eyes of Trudi Birger, a Holocaust survivor.*

It is undeniable that mother-daughter relationships are one of the strongest and complex bonds in the world. It is considered one of the most powerful connections in nature that only mothers and daughters understand and share among themselves. I hope you believe in yourself as much as I believe in you. There is this girl, she stole my heart, she calls me mommy. Life is tough my darling, but so are you. The love between a mother and daughter knows no distance. Mother and daughter never truly part, maybe in distance but never in heart. Even superheroes deserve a day off! I carry your heart with me everywhere I go, love you to the moon and back. Dear Mom, Thanks for all that you do. Mom, everything I am, you helped me to be. I am everything you helped me to be. I got it from my momma. All that I am and all that I hope to be, I owe to my mother. The love between a mother and daughter lasts forever. A Daughter is just a little girl who grows up to be your best friend. A mother is she who can take the place of all others but whose place no one else can take. When you are a Mother you are never alone in your thoughts. A daughter is a miracle that never ceases to be miraculous. First my Mother forever my Friend. Mom a title just above Queen Her Smile makes me smile, her laugh is infectious, and her heart is pure and true. But in the eyes, heart, and mind of your child, you are Super Mom. Yes, I do have a beautiful daughter. I also have a gun, a shovel, and an alibi. Tell her you love her. I will always love you. You will always be my child. I want my children to go further than what I have attained. One person who does the work of twenty. It comes with a mother. Mother is a verb. Not just who you are. A mother is not obliged to give you what you want. A daughter may outgrow your lap. She will never outgrow your heart.

**Chapter 2 : 20+ Mother Daughter Quotes**

*About the Book. This story of courage, determination and hope is a powerful and moving memoir that pays tribute to love and devotion and the special bond between a mother and a daughter.*

We have all been under attack lately, prayer warriors, myself, my mother, and perhaps a lot of you as well. And these words are not less true for any of us. It took me back to an episode of *Touched By An Angel*, about a dying little boy, his mother, played by Wynona Judd, writes a song she calls Psalm The Holy Spirit used those words to relay His plans for my mother, a good plan, a plan to prosper her, because we are in a time so close to the coming of the Lord. This is the generation that could see the return of Christ for a glorious and spotless church, unlike the little boy in the show, many people will not see death. We will receive a glorified body at the catching away, the dead in Christ rise first, and we who are alive and remain, will be caught up to meet Him. I realize this is a doctrine a lot of people are not familiar with or do not believe, nevertheless it is Scriptural. The key to this is those of us who remain. What does that mean? So how do we let go of that? We let people dissuade us away from faith, when we know God cannot lie, if He promises it, He will do it. And he is always a defeated foe. And John says in *Not just any peace, but His peace*. That is extraordinary peace in the face of disaster, amid the chaos, in spite of that it may look like is going to happen, we must let our hearts remain in His peace. So I am very much expecting to be a living and remaining witness to the love of Jesus and his healing touch. I will never give up the ability to testify of love, even though the song says for as long as I shall live, Jesus gave us *ionos zoe*, eternal life, not just a life full of days or lots of thing we accomplish or or even a large family. It is life more abundantly, it overflows and it shines with the love of Jesus, we are to be so brimming with His glory and grace that it overflows the cup of righteousness that we drink from, Jesus drank the cup of death in Gethsemane. I know my mother and God had good plans for her, she will be around a long time and she will remain in love, she will testify of love. So, knowing my mother, she is strong in faith, and I know she taught me love, and helped me hold on to it in my darkest hours. I know she will testify of love.
