

Chapter 1 : Pathology | Medical College of Wisconsin | Arkadi M. Rywlin International Slide Seminars

Anatomic and clinical pathologists are invited to submit cases for the Diagnostic Pathology Slide Seminar at the AAVLD meeting. Necropsy, surgical pathology, or cytology cases that present a diagnostic challenge, represent an emerging disease, or exemplify a classic condition are solicited.

Illinois Registry meetings take place at 7: Esther Oliva which occurs in Room at Rush University. This will be your only dues notification. Please pay your dues online at our website, www.IRAP and lecture handouts are also posted on our website. Make sure to confirm that we have your correct e-mail address, as all correspondence is sent via e-mail. You will receive an email reminder if you have already paid for the upcoming year. If you have not paid your dues for the past 2 years, then your name will be removed from the CPS roster and email list. Please note that you need to sign in at the entrance of the ME office due to new security rules There will still be a separate attendance sheet for CME. Our second meeting will be at the University of Illinois on October 10; Dr. A dinner reception will be hosted prior to this event. We are sponsoring a research competition for residents again this year. Please encourage any resident to enter. The deadline for submission is December 15, Cash prizes will be awarded 1st: There is no better deal around. CME credit will only be given to members in good standing. SAM questions will be sent through SurveyMonkey. You will get a SAM transcript at the end of academic year. We look forward to seeing you at an upcoming Chicago Pathology Society event.

Chapter 2 : The Chicago Pathology Society | Home of the Chicago Pathology Society
