## Chapter 1 : Harry Potter and the Chamber of Secrets (Book 2) - Ebook pdf and epub

*The Chamber of Secrets is in my opinion the weakest of the Harry Potter books. Still, it is a great read compared to 90% of other books in general, and 99% of other children's fantasy novels. The art in these books are simply amazing.*

One of the best military fantasy series August 9, A full if small at under pages novel by one of the most talented fantasy authors in the genre. August 9, Nevernight In a land where three suns almost never set, a fledgling killer joins a school of assassins, seeking vengeance against the powers who destroyed her family Expect more of the same awesomeness. This one has a lot of hype behind it. August 30, One of the most exciting neo-Victorian steampunk releases this year from award winning short fiction author Nisi Shawl. An alternate history where African natives developed steam power ahead of their colonial oppressors Release Date: Uprooted meets The Warded Man. This one is one of my most anticipated fantasy reads of Release Date: Looking forward to this one. This is his new fantasy series. October 6, Sequel to the uber popular Wake of Vultures, a wild west infused with monsters. This one looks to be another fast paced read through the a fantasy weird wild west. One of my favorite fantasy series right now and a MUST read. Love the series, even if the last book was a bit on the disappointing side. Actually, Luke Scull can, who has with his Grim Company books proven himself to be at the forefront of the Grim Dark fantasy movement. December 6, Book Review: Harry Potter and the Chamber of Secrets by J. The second book in the JK Rowling series about a young, orphan wizard named Harry Potter begins shortly after his twelfth birthday at the end of July. However, Harry is not as normal as the rest of his family, and from September until June he lives in a huge hidden castle somewhere in England called Hogwarts. Hundreds of other boys and girls live at Hogwarts too, where together they are all learning magic. In the second book we begin to gain an insight into Voldermort, as Harry, without realising it, drifts into the memories of his nemesis through an enchanted diary. Together, Harry, Ron and Hermione begin to investigate, trying to discover what the Chamber of Secrets is, and what could possibly be attacking the students. Whilst in one of the memories locked in the diary Harry learns that his part giant teacher and friend, Rubius Hagrid, was expelled from Hogwarts as a child for keeping a dangerous animal on the grounds. Eventually Hermione is found paralyzed on her way back from the library and a student is dragged into the Chamber of Secrets as one final sacrifice to the monster before Voldermort can finally be returned to full strength. Harry finds himself, separated from Ron and their brain-washed Defence Against the Dark Arts teacher who had accompanied him, in the caverns beneath the school and facing a huge, deadly snake, with nothing but his wand and a tattered old hat. This book is more of a mystery than its predecessor; with a real air of intrigue and uncertainty about it. Yet it finds itself in a slightly awkward position, somewhere between childhood innocence and naivety and darker teenage horror. In many places it seems a bit obvious and ham-fisted, Rowling seems to have opted for stereotypes rather than originality in these monsters and it makes it all a little contrived. Unfortunately this is inescapable and dulls the intrigue and interest of the book, in many ways this book came too soon, when the dark side of the magical world was still too undefined for readers for it to truly be explored to the extent that it needs to be for this story. Yet it is a necessary part of the series and must be read in order to understand the following five books. However, when it comes down to it The Chamber of Secrets is most definitely the weakest of all the Potter books, the story line is predictable and the newly introduced characters are pretty stereotypical and just add to the aforementioned predictability. The books best asset is the stuff with Lord Voldermort and Tom Riddle, the finale in the Chamber of Secrets is far better than the rest of the book; which seems to exist largely of ridiculous filler moments, like an incident with a cat hair and some polyjuice potion, rather than slowly gathering information throughout the story to build to a climax. It does have its positive points, of course, as the characters develop and the mysterious and fascinating magical world is built upon, getting stronger with every word. Where in the first book everything is new the second book builds on the already established understanding and really sets up the rest of series. And, as with all the Potter books, it has a fantastic main character base, which make the whole read bearable

and even enjoyable, ridiculous over-the-top incidents with flying cars and falling pudding can even be forgiven thanks to the humour of Ron Weasley and the irate madness of Vernon Dursely; not to mention it being the first time we meet the wonderful house elf, Dobby.

## Chapter 2 : Harry Potter And The Chamber Of Secrets Audiobook - Stephen Fry

*Harry Potter and the Chamber of Secrets is a fantasy novel written by British author J. K. Rowling and the second novel in the Harry Potter series. The plot follows Harry's second year at Hogwarts School of Witchcraft and Wizardry, during which a series of messages on the walls of the school's corridors warn that the "Chamber of Secrets" has been opened and that the "heir of Slytherin" would.*

Table of Contents Summary Harry Potter and the Chamber of Secrets begins when Harry is spending a miserable summer with his only remaining family, the Dursleys. During a dinner party hosted by his uncle and aunt, Harry is visited by Dobby, a house-elf. Dobby warns Harry not to return to Hogwarts, the magical school for wizards that Harry attended the previous year. Harry politely disregards the warning, and Dobby wreaks havoc in the kitchen, infuriating the Dursleys. The Dursleys angrily imprison Harry in his room for the rest of the summer. While shopping for school supplies with the Weasleys, Harry has two unfortunate encounters. He first encounters Lockhart, one of his teachers, who demands to be in a photo shoot with Harry. As Harry prepares to return to Hogwarts, he finds that he and Ron are unable to enter the magically invisible train platform, so they fly the Weasley car to Hogwarts. They land messily, and both boys are given detentions. Lockhart, who believes Harry flew the car to get attention, lectures Harry. Quidditch practices begin and Draco Malfoy is the new Slytherin seeker. On the field, he calls Hermione a "mudblood," insulting her Muggle heritage. Before the cat is attacked, Harry twice hears an eerie voice. He hears it first during his detention and second during a party, moments before the cat is attacked. Everybody in the school is alarmed. By doing some research, Harry, Ron, and Hermione learn that fifty years ago a chamber at Hogwarts was opened and a student was killed. Playing for Gryffindor, Harry wins the Quidditch match against Slytherin. During the game, an enchanted ball hits Harry and causes him to lose the bones in his arm. Dobby, a house elf, has enchanted the ball in an effort to have Harry injured and sent home. That night, Harry sees the body of a first-year who has been petrified arrive at the hospital. Soon after, Lockhart begins a dueling club. During the first meeting, Harry terrifies his fellow students by speaking in Parseltongue to a snake. Harry comes under further suspicion when he stumbles upon the petrified bodies of Justin Finch-Fletchley and Nearly- Headless Nick. Determined to catch the culprit, Ron, Harry and Hermione brew a potion called Polyjuice. The potion allows them to assume the bodies of Slytherins and question Malfoy on the Chamber of Secrets. They find out that Malfoy is not the heir of Slytherin. Harry writes in the diary, which responds by writing back. Through this dialogue, Harry meets Tom Riddle, a boy who many years before had accused Hagrid of opening the Chamber of Secrets. Hermione and a Ravenclaw girl are mysteriously petrified. Harry and Ron venture out of the castle to question Hagrid. As Hagrid is led away, he instructs the boys that by following the spiders, they can find out about the Chamber monster. Several nights later, Harry and Ron sneak into the Forbidden Forest to follow the spiders. The boys are almost killed by a colony of giant spiders. As they escape, Harry and Ron decide that Moaning Myrtle must have been the girl killed by the monster. They deduce the Chamber monster is a basilisk. Before the boys can act on their knowledge, the teachers announce that Ginny Weasley has been taken into the chamber. When Lockhart accidentally curses himself, Ron helps him and Harry leaves them behind. Tom turns out to be a younger version of Voldemort, who has been enchanting Ginny through his journal. Harry calls for help from Dumbledore. A phoenix and a magic hat arrive. Tom summons a basilisk, but the phoenix punctures its eyes. The hat produces a sword, which Harry uses to kill the giant snake. Harry sticks a basilisk fang through the diary, destroying Tom. Harry explains his adventure to Dumbledore. Lucius Malfoy storms into the office with his house-elf, Dobby, and Harry frees Dobby from by tricking Lucius into giving Dobby a sock. All is well in the castle as the students leave for their summer vacations.

Harris, getaway driver and foul-weather friend" Escape came in the form of a new pupil at Wydean Comprehensive, Sean Harris, who quickly became a firm friend. In , he drew up outside the family home in his blue Ford Anglia and whisked Jo Rowling away from the grim stillness of Tutshill to the concerts and bars of Bristol. He would park under the Severn Bridge and together the pair dreamt up better futures for each other. Book description Ever since Harry Potter had come home for the summer, the Dursleys had been so mean and hideous that all Harry wanted was to get back to the Hogwarts School of Witchcraft and Wizardry. But just as he is packing his bags, Harry receives a warning from a strange impish creature who says that if Harry returns to Hogwarts, disaster will strike. And strike it does. But then the real trouble begins - something is attacking Hogwarts students, turning them into stone. Could it be Draco Malfoy, a more poisonous rival than ever? Could it possibly be Hagrid, whose mysterious past reveals dark secrets? Or could it be the one everyone at Hogwarts most suspects The Worst Birthday "No cards, no presents, and he would be spending the evening pretending not to exist. The only thing the Dursleys let him keep in his room, however, is his pet snowy owl Hedwig , but have put a padded lock on her cage to keep her inside day and night to avoid suspicion from the neighbours. This does not go well for the bird, because every time she has become bored, her screech has rung throughout the house, causing an irritated Vernon to warn Harry that if he cannot control her, she will have to go. Neither of them have written to him all summer, not even to send birthday wishes. He stares into the hedge, and sits bolt upright when he sees a pair of enormous green eyes staring back at him among the leaves. When Dudley comes waddling over and wishes his cousin a happy birthday, mocking him with the lack of celebrations. Harry gets annoyed and scares him away by pretending to think of a spell meant to bur the bush bare out loud, but Petunia comes out when Dudley calls for her and beats her nephew with a soapy frying pan. Harry goes up to his room without making a sound during the party as promised, but when he gets there, someone else is on his bed. He has braved so many dangers already! But Dobby has come to protect Harry Potter, to warn him, even if he does have to shut his ears in the oven door later Harry Potter must not go back to Hogwarts. In the process, he makes a lot of noise, which is noticed by the group downstairs. When he hears Uncle Vernon coming upstairs claiming that Dudley must have left the TV upstairs on , Harry hides the elf in his closet right before Vernon comes in and scolds his nephew for making such a racket which has messed up the punchline of his " Japanese golfer joke ". But to his surprise, Dobby then reveals that he has stopped letters being sent to Harry, and offers them to him if Harry will stay away from Hogwarts. Harry is blamed for the incident once Dobby Disapparates , and Uncle Vernon shoos the shocked Masons into the dining room while Harry cleans up, promising to deprive the boy of an inch of his life. The evening is almost saved until an owl from the Ministry of Magic is promptly received scaring away Mrs Mason , who is mortally afraid of birds with a warning saying that Harry has violated the Decree for the Reasonable Restriction of Underage Sorcery , though he is not actually punished possibly because it is only his first offence. Vernon reasons that if Harry uses magic to get himself out, he will be expelled anyway. Since Ron, Fred and George took the car without permission, they are yelled at by Molly Weasley , who was waiting in the kitchen. Arthur Weasley soon comes home and is honoured to meet Harry after they are introduced to each other. Molly, his wife, yells at him for enchanting the car. Ginny Weasley , who was enrolling at Hogwarts that year, is very obviously enamoured with Harry and spends most of the chapter hiding from him. At Flourish and Blotts Lucius Malfoy: Gilderoy Lockhart showing off his book Harry stays at the Burrow until his departure for Hogwarts. The Weasleys make it clear that they all like Harry. For example, Arthur insists that Harry sit next to him during meals where Molly, who constantly deplores the state of his hand me

down clothes and how thin he is, insists that he eat extra food. During that period, he and the Weasleys travel to Diagon Alley with Floo Powder in order to get their school supplies. Harry has difficulty with the smoke around him and says "Diagon Alley" unclearly, and thus he accidentally lands in a shop in the ill-reputed Knockturn Alley instead. The shop is Borgin and Burkes, specialising in objects related to Dark magic. Lucius Malfoy explains that the Ministry has been conducting raids on wizard houses in order to uncover illegal artefacts, so he is selling his more problematic possessions. He also expresses his disdain for a rumoured Muggle Protection Act, which he rightly assumes Arthur Weasley is behind. Harry leaves the shop to be found by Hagrid and taken back to Diagon Alley to reunite with the Weasleys and Hermione Granger, who is also there with her parents. He then forces Harry to have his picture taken with him for the main page of the Daily Prophet. They also meet Draco and Lucius Malfoy there. The elder Malfoy continuously taunts and insults Arthur and his family and eventually Arthur lunges at him. On the way to the Hogwarts Express, when Harry and Ron try to go through the barrier to Platform Nine and Three-Quarters after everyone else went through, the barrier is mysteriously sealed against them. The giant tree starts pounding the car. The battered car manages to escape, ejecting Harry, Ron, and their luggage, before quickly driving off into the Forbidden Forest. After they make it to the castle, Professor Snape catches the boys and attempts to have them expelled for being sighted and breaking wizard law to get to the castle. Still, Professor McGonagall gives a warning and separate detentions to both boys. She also tells them that Ginny had been sorted into Gryffindor, providing them with Endless Sandwiches and disallowing them from attending the Start-of-Term Feast. In the class, Professor Sprout teaches how to transplant Mandrake seedlings, which have restorative properties when mature. The next class is Transfiguration, where Ron has problems with his broken wand, even when he repaired it with some Spellotape. Later, the trio have their first lesson with Gilderoy Lockhart, appointed as the new Defence Against the Dark Arts teacher. His way of teaching is a complete disaster. Both constantly interact with him on the base of his fame Colin treats Harry as a celebrity and Lockhart hopes to actually bring him to that state. Mudbloods And Murmurs "Harry knew at once that Malfoy had said something really bad because there was an instant uproar at his words. Soon after the actual practise starts, the Slytherin Quidditch team, with new Nimbus broomsticks, arrives, and an argument over field time ensues. During the confrontation, Malfoy is revealed to be the new Slytherin seeker, and the one responsible for getting the Slytherin team new brooms. Hermione says that nobody on their team had to buy his way in, they made it on pure talent to which Malfoy calls Hermione a Mudblood, for which the Gryffindor team react angrily and Ron tries to curse him. During his detention, Harry hears a disembodied sinister voice which Lockhart is unable to hear. The Deathday Party "Why would anyone want to celebrate the day they died? Sounds dead depressing to me He brings Ron and Hermione along as well. While there, they meet Moaning Myrtle. The three of them quickly get sickened by the ghostly party and return to the Great Hall. Hermione wants to research the Chamber, so she persuades Professor Binns the History of Magic teacher into telling the class about it. He explains that one of the founders of Hogwarts, Salazar Slytherin, got into an argument with the others about whether Muggle-borns should be admitted. When the rift grew too large, he left the school. According to legend, he built a going-away present to the school in the form of a secret chamber that could only be opened by his true heir. This " Chamber of Secrets " contains a monster that only the Heir of Slytherin can control and that, once released, would purge the school of all Muggle-borns. Binns unsuccessfully tries to assure the class that the Chamber does not actually exist and that the school has been searched many times in vain. Better sent home, grievously injured, than remain here sir! Dobby only wanted Harry Potter hurt enough to be sent home!

*In Harry Potter and the Chamber of Secrets, Harry, a twelve year old boy is continuing another fascinating year at Hogwarts School for Witchcraft and Wizardry. This second book in the J.K. Rowling series is a must read!*

Harry is not invited, but is content to spend the evening quietly in his bedroom, although he is confused why his school friends have not sent cards or presents. In the meantime, Uncle Vernon punishes Harry, fitting locks to his bedroom door and bars to the windows. They rescue Harry, who stays at their family home, the Burrow, for the remainder of his holidays. Harry and the other Weasleys—mother Molly, third eldest son Percy, and daughter Ginny who has a crush on Harry—travel to Diagon Alley. In trouble for the crash, Ron is punished by having to clean the school trophies and Harry by helping the celebrity teacher Professor Lockhart, whose classes are chaotic, with addressing his fan mail. He is alone in hearing an unnerving voice seemingly coming from the walls of the school itself. Norris, along with a warning scrawled across one of the walls: Enemies of the heir, beware. Slytherin believed that students of non-magical parentage should be refused entry to the school. During a Quidditch game, a Bludger, one of the balls involved in Quidditch, chases after Harry instead of zigzagging toward any player it can hit, breaking his arm. Another attack occurs, this time to a first-year Gryffindor named Colin Creevey who idolises Harry, and the school goes into a state of panic. This sparks rumours yet again, as students around the school suspect Harry of being the Heir of Slytherin as Slytherin was also a parselmouth, and circumstantial evidence to support this theory arrives in the form of another attack. Harry, Ron, and Hermione begin to suspect that Draco is behind the attacks, given his family history of remaining well within Slytherin ranks and open hostility toward Muggle-born students. Meanwhile, Myrtle Warren, an existentially mopey ghost that haunts a bathroom, unwittingly provides a new clue in the form of a book deposited in her stall—a diary. The culprit, he reveals to Harry, was none other than Rubeus Hagrid, now gamekeeper for Hogwarts School. When Hermione is attacked next, alongside a Ravenclaw prefect, the school is put on lockdown, and Dumbledore and Hagrid are forced to leave the premises. Fortunately for Harry and Ron, Hagrid left a set of instructions: They do this, only to find the monster that was blamed for the attacks fifty years before, a massive spider named Aragog, who explains to the duo that the real monster is one that spiders fear above all others. Harry figures out from hints Aragog dropped that a student who died during the previous attacks is Myrtle, and when Ginny is taken by the monster into the Chamber, they discover that the entrance is in the bathroom they have been using to make Polyjuice Potion. Separated from Ron, Harry enters the Chamber of Secrets alone to find an unconscious Ginny and Tom Riddle who claims to be a memory preserved in his diary for the last fifty years. By possessing Ginny through his diary, Riddle has been continuing what he started fifty years before. Fawkes blinds the basilisk, allowing Harry to remove the Sword of Godric Gryffindor from the Sorting Hat and slay the creature. Both the diary and Riddle are destroyed and Ginny is restored. Harry, Ron, Ginny, and Lockhart who had his own memory erased from the damaged wand return to the main castle and reunite with McGonagall, Dumbledore, and Mr. Weasley, whose possession by Voldemort caused all of the petrification and troubles over the course of the year, is given a reprieve by Dumbledore. He reasons that greater wizards have been duped by Voldemort before, and takes great interest in the qualities of the diary, which Harry gives to him. Lucius Malfoy bursts in after this meeting, demanding to know why and how Dumbledore has returned to the school. He is accompanied by Dobby, revealing the family to whom he is enslaved. After delivering the manuscript to Bloomsbury on schedule, she took it back for six weeks of revision. Nevertheless, she considered the second story as enjoyable as the first. She commented that "there are enough surprises and imaginative details thrown in as would normally fill five lesser books. Duffy suggests Rowling intended this as a warning against passively consuming information from sources that have their own agendas.
