*Crème de la Crème is the nation's leader in childcare and early education since Schedule a tour today and experience The Crème Difference.*

It all started with his now-iconic collectible plates decoupage with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of more than full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season. These very popular elegant birds come in a variety of colors which can stand alone or be mixed and matched to suit your own taste and designs. These French ceramic guinea hens are available at all three of our locations. The new location has 3, square feet of retail space.
