We are wired to achieve extraordinary things. The hardware is already installed in each of us. More than 90 percent of humans just let their lives play out. What happens just happens, and what will be will be. We choose our Identity. We design our destiny. It is simply our choice, not a birthmark or a birthright. Those of us who find out later in life that who we have been up until now is not who we have to be going forward, are energized and empowered. We can be more than our past. We can literally change who we are today. Our future is ours, every moment of it. We control our Identity, and we control our Mindset. Combined, our Identity and Mindset create our performance. We control the amount of success in our lives. Knowing this, believing this, leveraging this, we can literally design our future and, therefore, design our destiny. Gahl Eden Sasson Language: It combines Astrology, the map of where and who we are, with Kabbalah the navigation system that tells us how to get to our goal and avoid those traffic patterns and areas of gridlock in our lives. This three part text is the first book of its kind. Not only is it the first book to use Astrology as a resource for self help, it also weds the wisdom of ancient Kabbalistic truths with the powerful archetypes of the zodiac to help you improve and change your life. The first part of the book introduces the basic concepts of Kabbalah and Astrology and how they work together. The second part teaches you how to interpret your own astrological chart as the road map of your life. Is your love life in need of more passion? Turn to the chapter on Scorpio and learn how to invoke that sexual mysterious energy. Do you need to be more assertive at work? Turn to the chapter on Aries and discover your inner warrior. Unlike other astrology books that simply offer stereotypical profiles, Cosmic Navigator teaches us how to take control of our astrological destinies.
