In the new installment, the brothers also travel in adventures with Scrooge, now with Donald in tow. Huey, Dewey, and Louie also starred in the s series Quack Pack , in which the three were portrayed as teenagers. After Quack Pack, the boys were reverted to their original ages in future appearances, including s series Mickey Mouse Works , and then re-aged in House of Mouse. The object of the game is to rescue them from the clutches of the villainous King Pete. They also appear in Donald Duck: They also appear in DuckTales , aiding their Uncle Scrooge in finding treasure. They also appear on Dance Dance Revolution: In both endings, they are all seen going back to Disney Castle. They reappear in Kingdom Hearts: They also appeared in the Countdown Party Parade They made another appearance at Disneyland Paris for meet and greet at the Disneyland Hotel on April 2, the day of the Press Event for the launch of their new season "Magical Moments Festival". This is the first time ever that the three nephews appear for meet and greet at any of the Disney Parks for regular park guests. Cultural influences[edit] In the science fiction film Silent Running directed by Douglas Trumbull , the main character, Lowell, befriends three robot drones and renames them Huey, Dewey and Louie. Coincidentally, the drones appear in their semi-official colors: Huey is reddish-orange, Dewey is blue and Louie is green. After season two, Gardino is replaced by Detective Thomas Dewey. They are often referred to as "the duck boys" by other characters. In Finland , the three main political parties, namely the National Coalition Party , the Centre Party and the Social Democratic Party , are sometimes sarcastically referred as Huey, Dewey, and Louie, for there are allegedly no differences in their political agendas. In that sketch, they ask their Uncle Donald also voiced by Kwasman if they can see their mom Della Duck again. The three prototypes of the MooresCloud ambient devices were named "Huey, Dewey and Louie" when first presented to the tech press in Sydney , Australia by futurist Mark Pesce.
