

**Chapter 1 : Fiberglass Flyrodders – Ed Shenk rod**

*Ed Shenk's Fly Rod Trouting [Elisabeth Sheldon] on blog.quintoapp.com \*FREE\* shipping on qualifying offers. He is described by such fly fishers as Joe Humphreys, Charlie Fox, and Ed Koch as a consummate fisherman and is the originator of many important fly patterns.*

Second Edition - John Murray - UK - [Being a series of conversations with some account of the habits of fishes belonging to the genus Salmo. The Out Of Door Library: Angling - Kegan, etc. Creighton; "Nepigon River Fishing" A. Fishing Flies "An Illustrated Album" Blossom - UK - nd - [A lovely full colour album of trout and salmon flies presented by type together with much history on their makers and origin. Albans in to contemporary figures collected by Austin.. Ed [It has been said, "That if any man who has for many years followed some favorite pursuit would record his past experiences, with the conclusions drawn from them, he might render service to those who come after him". Night Fishing For Trout - Freshet - NY - [The first full length book on night stream fishing ever published] p pictorial eps trout flies - illus by N. Like the Atlantic salmon and the beautiful flies used to catch them, he was at the top of his field. Through the vision and diligence of his daughter, editor Bob Warren, and the teamwork of master tiers and artists this magnificent work was completed. Just Fishing - Outdoor Life - NY - [A classic work that details the significant differences between success and failure in the pursuit of American fresh water game fish] p - illus in clr and line drawings by Fred Everett - clr fly-plates painted by Dr. First published in and reissued in his work remains a cornerstone in the art of fly tying. This nice facsimile of the original by Derrydale is a great opportunity to own a great classic without having to shell out what early copies sell for. Establishing a camp with the help of local guides in the St Anne River area, he began experimenting with the transplanting of native trout to fishless pools he found in the same region. His fly fishing adventures and success in growing trout to 7 pounds, together with his relationship with French Canadian guides and carefully preserved records by lake and river is an interesting read. As the young owner of a fledgling sporting travel business, Tosh has had the good fortune of visiting some of the most productive tarpon waters of the world and has fished with some of the best guides in the business. This is his insightful and often humorous account of chasing the Silver King with a fly rod, together with some discussion of the storied history of the tarpon fishery along his native Texas coast and in particular the legendary tarpon destination, Port Aransas. Beasley, director of the ROM dept. A pure delight as the author carefully guides us on a wide range of adventure from the Gulf Coast to Cuba; from the Florida Keys and Bahamas to the North Atlantic. American Big Game Fishing - Derrydale, MS - [Facimile reprint of one of the all time great salt water angling classics first published in a limited edition in No better time than this winter to plan some new tricks to entice ole sore lips next summer. Davis, one of the founding members of the Grand Cascapedia Club describes some interesting early fishing on the river which is widely considered home to the largest Atlantic salmon in North America. Originally published in with a printing of only copies for family and close friends. Davis also includes some reasoned thoughts on salmon behaviour and fly patterns. Photographer Dale Spartas has captured a wonderful collection of streamside moments in this nifty little book. This is a must read for anyone remotely interested in the early pursuit of these silver giants that have left many an angler shaking his head in disbelief as described by the author after an incident at Homosassa, Florida in when his "tarpum" escaped after a grueling battle, and in the process the astonished angler suffered a scorched thumb, an unplanned swim, a broken rod, and a straighted gaff. Salmon, trout, and char. The Tye Club, membership in which money alone cannot buy as before consideration you must personally catch a salmon of no less that 30lbs. Preview by Charlie Fox and intro by Ray Bergman. Salmon Fishing - Witherby - UK - 1st. Edition [Falkus one of the most knowledgeable Atlantic salmon anglers of modern times shares his vast knowledge of a lifetime of angling for this king of gamefish. What The River Knows - Poseidon - NY - 1st ed [The author takes his reader far beyond the angling experiences on his river in the Upper Peninsula of Michigan, and into an analysis of his middle-age years. Rising Trout Second ed - Hawthorne - NY - 1st thus [Being a compilation of the discoveries, observations, and informed opinions of a man who knows trout like no other can claim to. The Next Valley Over: Simply put, it is the very best book to

date on the subject. A master at the surprise "one-liner" Gierach has been referred to as the finest writer on fishing today. In his forward, Gary LaFontane points out that "Gierach is not an ordinary fly fisherman; he is a man committed to a way of life, the life of a trout bum. For Gierach, flyfishing is every day life"] p - lovely clr frontis by M. Wulff, Ritz, McClane, Wetzel, etc. Grey was a fierce competitor himself in the world of deep-sea angling. Loren Grey nephew of the author and son of Zane Grey - f. Haig-Brown takes you month by month from January in search of cold water steelhead to May for sea-run cutthroat to the October run of spawning salmon. Ed [Bright Waters, Bright Fish is the testament of a man who passionately believed that it is the responsibility of all citizens, from fishermen to politicians, to protect and perpetuate our sport fishing resource. The author was such a man. Above all, Halford is widely considered a master of the dry fly. This is a remarkable portrait of a great Victorian angling authority. A valuable aid to the collector and fancier of Hardy tackle are the variety of appendices which are included providing specific information on rods and reels produced. Halford And The Dry-Fly Revolution - Hale - UK - [The first full length biography of the man who did more than anyone to codify and popularize the doctrine of the dry fly on chalk streams. By the end of his life, with the publication of seven books and over articles, the name Halford had come to be known worldwide as being synonymous with the fishing of the dry fly. This work contains many previously unseen illustrations and makes a substantial contribution to angling history. Hewitt was the son of a wealthy NY industrialist a privilege that not only permitted him much time to study the sport but equal opportunity to enjoy it on some of the most famous waters known. Koch is no stranger to the world of fly fishing and tying and at the time of this printing held the Pennsylvania record for brown trout on the dry fly with a nine pounder taken from the Letort in A Wisp In The Wind: Edition [If split cane fly rods are the spiritual height of fly fishing, then the R. Winston bamboo rod shop approaches a mystical place. A Mecca for the few who find their way to Twin Bridges, Montana, most anglers only hear rumors of bearded rod makers bent over benches, illuminated, one would suppose, by a magical ray of Western sunlight. Until now, the heart of their discussions and the secrets of their techniques were only the stuff of conjecture and dreams. Besides traveling through the history of the Winston Company, Kustich takes you steeheading in BC, spring creek fishing on Poindexter Slough, and late winter fishing on the Bitterroot. Caddisflies - Lyons - NY - 1st. Bright Salmon And Brown Trout - Meadow Run Press - NJ - [Originally published in , this exquisite copy containing thirty-three of the great angling authors wonderful essays is a delight. A super read that will keep you chuckling. Is a coffee colored stream as lovable as a classic mountain river? Why do fifty million people really fish? Fisherman, logger, firefighter, scholar, and teacher. The Norman MacLean Reader is a collection of previously unpublished materials with incidental writings and selections from his two masterpieces. Steelhead - Winchester - NY - [Packed with practical info: Unforgettable record of a unique odyssey, a detailed photographic account of fly fishing past and present. Dame Juliana Berners, by legend a nun and a noblewoman and the first of her gender to write a work published in English. It is a large and compelling story. With flyrod in hand, the author travels to the Miramichi in advance of the Atlantic salmon run for some remarkable, memorable shad fishing--and to his surprise, unknown to most fly fisherman.
