## Chapter 1 : - NLM Catalog Result

*During the nineteenth century the theory and practice of medicine changed dramatically, but today relatively little is known about the careers of those responsible for reshaping the profession. This biographical study of Edward Jarvis (), a leading physician, psychiatrist, and statistician, helps fill that gap.*

Caring for the Country: The American Medical Association, Snake Oil, Hustlers, and Hambones: The American Medicine Show. Gender, Class, and the Transformation of Medicine in Appalachia, University of North Carolina Press, Louisiana State University Press, American Culture and the Birth of Psychotherapy.
