What is a sleep-sheet? What is a hostel? A hostel offers low priced accommodation that provides a bed, pillow, blanket, and bathing facilities, usually in dormitory style. Most hostels require that you have your own sheets and towels. If you do not bring your own, it may be possible for you to rent those items from the hostel. Back to top Who can stay at hostels? Student groups, families, couples, independent travelers, college students, seniors citizens, etc. With the exception of the Bavarian region of Germany, there are no upper age restrictions at most hostels. In Bavaria, most, but not all, hostels require guests to be under 26 years of age. Back to top How much does it cost to stay in a hostel? Large cities like London and Paris tend to be more expensive than smaller towns. Hostels in Eastern and Southern Europe tend to be on the low end of the price range. Price is also determined by how many beds are in a room. Dormitories are the cheapest with anywhere from people in a room. Many hostels also have 6, 4, 2, and 1 person rooms or offer special rooms for families--each at an increasing price. If you plan to stay for more than 6 days in HI hostels during you trip, then becoming a member is advisable. Hostelling International hostels are generally clean and well-run. Most offer rooms with keys. Many have kitchen and laundry facilities Most offer advance on-line booking. Good environment for families with children. Usually offers a quiet sleeping environment. Hostelling International hostels often have very restrictive curfews some as early as 9: Not the best place to meet fellow travelers. Lots of families with children and large student groups stay at HI hostels. Prices tend to be higher Hostel International card required to get reduced rate. Back to top What are "Independent Hostels"? Prices and quality of these hostels vary as with HI hostels. Independent hostels usually have no curfews. No or shorter "lock-out" periods. Many offer rooms with keys. Many have kitchen and laundry facilities Many offer advance on-line booking. Great environment to meet fellow travelers. Usually cheaper than HI hostels no special card needed to get good rate. Independent hostels can be hit and miss in the cleanliness department. Sometimes they are not the best places for families with children because they tend to cater to independent travelers looking for a good time. No curfews mean the chances of your sleep being disturbed during the night is greater. Back to top Where can I make reservations for hostels? Make an on-line Hostel Reservation and check the price and availability of hostel rooms in the city and on the dates of your choice, then book on-line. Prices available in many different currencies. Back to top Where can I search for hostels on-line? Hostels On-Line check on-line for room availability and find out basic information about hostels amenities, curfews, photographs, etc.

Chapter 3 : Hostelling International USA - Wikipedia

The International Youth Hostel Federation grew, as the German youth hostel system was reestablished and new hostel associations were formed in Africa, Asia, Australia and South America. In the USA, John D. Rockefeller III recognized the value of hostelling and agreed for several years to serve as president.

The hostelling story has six chapters: Rebuilding and Renewal Hostelling rebounds with the new value placed by governments on international travel as an answer to isolation and misunderstanding, and national hostelling associations proliferate worldwide. An Explosion of Global Travel Economic prosperity, low-cost jet travel and Baby Boomers spur interest in foreign travel and hostelling. Growth and Transformation Record numbers of young people are served in hostels worldwide as large urban hostels are developed with high quality standards and program offerings. Tragedy and Renewal While the aftermath of September 11th causes sharp travel declines worldwide and massive financial pressures for HI-USA, it also prompts a bold new commitment to cross-cultural exchange. Today in the U. Worldwide, there are nearly hostels recording over 33 million overnights in more than 80 countries. He created a "wandering school" on weekends by taking students on field trips into the countryside for fresh air and exposure to nature. Students unrolled their bedding each night in school buildings. The concept of student "youth hostels" was born. The movement flourished in Germany. Permanent hostels were established by gifts of hiking and recreation clubs, wealthy patrons and local communities. By , Germany had more than youth hostels recording more than 4. With national hostelling associations spreading across Europe, in the first international meeting was held in Amsterdam to develop common standards. The International Youth Hostel Federation was formed. Americans Isabel and Monroe Smith attended the second international meeting in . Shortly afterwards, they opened the first U. Its growth received wide attention, and the endorsement of the president of the United States. Roosevelt in , when he was honorary AYH president. Hostels were closed, and even appropriated by governments for military purposes. The operations of many European hostelling associations were suspended. During the war, the growth of the hostelling movement stalled, although parts of the European youth hostel system still continued to operate, as well as a small network of hostels in the US and Canada. Groups of American youth went to Europe to help rebuild hostels. International youth travel, while still nascent, was embraced by governments as a way to encourage understanding, and avoid future conflict. The International Youth Hostel Federation grew, as the German youth hostel system was reestablished and new hostel associations were formed in Africa, Asia, Australia and South America. Rockefeller III recognized the value of hostelling and agreed for several years to serve as president. The organization was incorporated as a nonprofit organization in , and donations were solicited for the first time as a charitable institution. The first association-owned hostel was opened in Indiana in . An Explosion of Global Travel: With a growing economy, the advent of jet travel, and "Baby Boomers" coming of age, international travel was within reach of growing numbers. Public awareness of hostelling became widespread. The national organization purchased its first hostel in Pennsylvania in , setting the stage for other nationally owned facilities. Paul Dudley White, an internationally recognized cardiologist, served as honorary president and espoused international exchange among young people. Inner-city programs that served underprivileged youth emerged as a program focus. By its opening in , the project had attracted a team of all-star supporters, led by actress Loretta Young. But the globalization of travel could not be turned back. A strategic plan adopted in confirmed an ambitious vision of developing hostels in major cities and offering programs nationwide. It also embraced a common global name, "Hostelling International" and the blue triangle logo. Travel dropped sharply and persistent terrorism concerns and the onset of Severe Acute Respiratory Syndrome SARS continued to depress international travel through . With dramatically fewer people traveling, hostel overnights and program participation sharply declined, creating temporary but massive financial pressures for HI-USA. Programming was cut back, and some hostels were closed in response to the post September 11th financial realities. In the face of hardship, volunteers and staff became more resolute
