

Chapter 1 : Project MUSE - The Sermon on the Mount

The Hermeneia series is designed to be a critical and historical commentary to the Bible without arbitrary limits in size or scope. It will utilize the full range of philological and historical tools, including textual criticism (often slighted in modern commentaries), the methods of the history of tradition (including genre and prosodic analysis), and the history of religion.

Table of contents for Romans: Bibliographic record and links to related information available from the Library of Congress catalog.
