

Chapter 1 : Things to Do in Turkey | Frommer's

Turkey is also a major custodian of sacred sites revered by Christians, Jews, and Muslims alike, and of invaluable artifacts of early Greek civilization, Byzantine majesty, and Ottoman supremacy. Business is now booming, the middle class is spending, and cities are growing and expanding.

We offer a range of escorted historical and cultural tours, archaeological adventures, walking holidays, food and gastronomy vacations and language learning trips. Take a gulet cruise along the turquoise coast and enjoy total relaxation, beautiful food, and superb swimming – the perfect vacation. A team of the finest guides, archaeologists and historians, vividly bring the past to life on our escorted tours and gulet cruises. Friendly and knowledgeable, they are natural enthusiasts steeped in the history and culture of Croatia, Greece, Ireland, Italy, Turkey and the UK. Alongside our scheduled gulet cruises in Croatia, Greece, Italy and Turkey, we also create bespoke gulet cruising holidays to order. Our private charters feature the same qualities that distinguish our scheduled gulet cruises: We provide a range of fully crewed boats, maintained to the highest safety standards, ranging from 4 to 12 cabins 6 to 22 guests. Why we Organise Gulet Cruises and Escorted Tours In , Peter Sommer walked 2, miles across Turkey, retracing the route of Alexander the Great, and in the process fell in love with the country, its archaeology and the Turkish people. A British archaeologist and documentary maker led his very first archaeology tour in Turkey in Since then, Peter and the team here at Peter Sommer Travels has been organising unique archaeological and cultural tours and gulet cruising holidays in Turkey, Greece and Italy, escorted by the finest experts. Small Group Tour Operator: A UK-based specialist tour operator, we offer cultural vacations and holidays – primarily gulet cruises – with a professional and above all personal touch. Our family tours are designed to be relaxing and stimulating, fascinating and fun. Like our other escorted tours they are cultural gulet cruises and led by an expert guide. Visits to archaeological sites will take you and your children deep into the past. Alongside our archaeological adventures, there is the gulet cruise itself aboard a beautiful traditional wooden boat Turkish gulet – aka goulette, gulette or gullet. Our gulet cruising holidays offer plenty of opportunities for families with children to swim, kayak or snorkel in azure seas, to lie back and read as the world goes by, and to enjoy delicious home-cooked food. Along with the sites and itineraries, good food plays a key role in the design of our tours and cruises. For us, meals are much more than a practical necessity: In that sense, each of our itineraries is a culinary exploration. These daily delights are complemented by shore meals in excellent and atmospheric restaurants and tavernas along the itinerary. Food is so important to us that we offer a fabulous food tour in Turkey, aboard a traditional Turkish gulet. We have also created a marvellous escorted food tour in Sicily. Tailor made Land and City Tours Our tailor-made expert-led land tours can focus on a single region or city, or we can create a bespoke itinerary for you that weaves together several different regions within one country e. From family-run boutique hotels and country houses to 5 star luxury hotels, we will find the accommodation that most closely suits your needs. We pride ourselves on our flexibility and capacity to arrange all aspects of your journey so you can explore and discover with all the background logistics smoothly taken care of. We strive to offer the finest small group cultural tours. If you have any questions, please get in touch.
