January 23, - May 7, Service Information: A visitation will be held on Monday, May 14, from 4: A graveside funeral service will be held on Tuesday, May 15, , This hardback book is more than just a biography, since it traces some of his families back to early Virginia. He follows several family lines, and one can tell that he put much time and resources into documenting, and many hours of writing. He said it was truly a "labor of love". The book was started over 35 years ago when Harry attended Fresno College. He had been diagnosed with polio and could no longer do physical labor. He majored in Dairy Manufacturing, intending to be a Dairy Inspector, but had to quit college to go to work. He had worked for the Agriculture Commissioner of Fresno County, and they were willing to hire him full time. After retiring, he and his first wife, Pauline spent time traveling to all 50 states as well as Mexico, Canada, Italy, Greece and Israel. He and Pauline Hambrick had 5 wonderful daughters, and one son, Harold who died in Harry credits his wife and some of the granddaughters with helping with the finishing of the book, and teaching his wife how to use the "contraption" which was the computer. Pauline was his wonderful helper, working with him to make his life project come to reality. He and Pauline lived at Desert Hot Springs for several months in the winter. They loved the hot mineral pools there. His lovely wife Pauline passed away and Harry remarried again. I could not find his full obituary, so I decided that this wonderful man deserved a biography. He led a very colorful life, and shared it with us in his book. We are grateful for all he did for us.
