Talmage Powell () was a prolific American short story writer, penning over stories in a variety of genres. Heist in Pianissimo (May) The Five.

Edited by abhilasha at He claimed to have written more than short stories, and we have no reason to doubt him -- we are working on a bibliography of his work and have documented magazine stories so far He wrote his first novel, The Smasher, in He went on to pen 11 more novels under his own name, 4 as "Ellery Queen," and 2 novelizations of the hit TV series Mission: Clearly, though short stories were his first love. Wally Tulman, Florida socialite, had been convicted of molesting and murdering a young girl. Then somebody tapped him over the head, just to make sure. Ed Rivers got the message. So he waded into it - with both fists flying. All three victims were Japanese. The murder weapon was traced to Nick Martin, a veteran of Iwo Jima. Nick had spent fifteen pain-ridden years in and out of Army hospitals. He tried to drown his memories of the horror, but whisky only put him right back in the middle of that fierce battle. Nick drank a fifth the night of the killing. And no one was shutting the door of a death cell on Nick - not while Rivers could still go after the real, fiendishly clever murderer. With a Madman Behind Me This one was for keeps. It started the night private eye Ed Rivers went to the rescue of a damsel in distress and almost ended up at the bottom of Tampa Bay. Ed knew who was lurking behind him. His name was Russ Leppert. Russ liked to kill people. Not for any real reason - just because he liked it. Then there was the man who had once been the business of hustling pornographic stag movies. He wanted to get back into the racket again, in a big way. And, of course, the middle-aged Dixieland musician named Straight Stuff Delaney. Was Straight Stuff blowing for kicks - or merely furnishing the fanfares for other murders to come?
