Chapter 1 : Healing is God's will - LIFE FOR THE NATIONS

the Lord who went about doing good and healing all who were oppressed of the devil (Acts), the Lord who set the church against sickness and commanded us to go and to heal the sick (Matthew).

Jesus wants you to be healed. God healed people in the Old Testament as well as in the New Testament. Sickness came to man after the fall in the garden. Sickness is part of the curse because of sin. In Isaiah, the Bible says, "But He was wounded for our transgressions; He was bruised for our iniquities; the chastisement of our peace was upon Him, and with His stripes we are healed. It is our legal right because of what Jesus has already done for us in redemption. Just as Jesus said to the centurion concerning his servant, "I will come and heal him Mt. Jesus has given us authority over Satan. At the gate of the temple, Peter said to the lame man, "In the name of Jesus Christ of Nazareth, rise up and walk. Healing is your legal right, and you can possess it by taking authority over the sickness from Satan in the name of Jesus. Healing is ministered in many ways. One way is to "lay hands on the sick and they shall recover. The twelve disciples "anointed with oil many that were sick and healed them. And it came to pass, when the devil was gone out, the dumb spake. Often, demon spirits of infirmity are in us as a result of inherited generational curses. In Numbers, the Bible says, "The iniquity of the fathers is visited upon the children unto the third and fourth generation. The generational curses must be broken and the demons cast out before the healing can come forth. Healing can also be taken hold of by speaking or praying the Word of God. When receiving healing, the results sometimes come immediately. Often, they come over time. Healing can be a little by little process. Keep taking hold of the healing power of God until the manifestation comes. And he looked up and said, I see men as trees walking. After that He put His hands again upon his eyes and made him look up, and he was restored and saw every man clearly. Jesus then ministered to him a second time, and he was totally healed and saw clearly. Jesus ministered healing until the healing was complete. We also are to continue to take hold of our healing and to pray without ceasing until the healing is manifest. Sickness is from the devil. Jesus is the Healer. By His stripes on the cross, your sickness was laid upon Him. Jesus bore away your sickness and disease and redeemed you from the authority of Satan. Healing is now your legal right as a Christian. With your faith, you can take hold of healing. It is now time to minister healing to you. Jesus asked one man, "What do you want Me to do for you? As you declare your need before Him, begin to take hold of His mercy of healing. Believe that His healing power is flowing into your body. He will heal you as you take hold of His healing mercy with your faith. Come and take hold of your healing now! Pray this prayer of faith to receive healing into your body: It is your will to heal me, and it is my legal right to possess it. I take authority over all sickness and disease in my body in the name of the Lord Jesus. I break all inherited generational curses of infirmities, and I command spirits of infirmity to come out of me now in the name of Jesus. Sickness and disease, leave my body in the name of Jesus. I come boldly unto the throne of grace, and I take hold of your healing power. I thank you that your healing power is flowing into my body, healing me now! Continue to pray this prayer until the healing is completely manifested. If you would like help in receiving healing, we would be glad to help you. We have a Healing, Deliverance, and Counseling Center in which we minister healing to people five days a week. We have seen people healed of cancer, tumors, cysts, high blood pressure, diabetes, migraine headaches, deafness, back and neck pain, and many other ailments.

Chapter 2 : 7 Keys to Receive Your Healing When You Have Nobody to Pray - #GTH Blog

Healing is from God and Sickness is from the Devil There are some scriptures that have helped me see that God is only good and only good comes from Him.

Engaging Culture with the wisdom and power of Christ! Before I became a preacher, I was a logician. I believe the Bible to be the most perfectly logical book in the world. And God wants us to be logical in applying its truth. It is a blessing. If God has placed sickness upon you to do you good, then you are wrong to seek to get rid of that sickness. When he cast it into the waters, the waters were made sweet. For I am the Lord who heals you. It was the revelation of the eternal nature and will of God for His people. Twelve centuries later, God said to Israel to Malachi 3: God never varies and never changes his mind. How God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil. The Son went about doing good and healing all who were oppressed by the devil. Healing is of God. Sickness is of the devil. This is very, very clear. Father, Son, and Holy Spirit are united in bringing healing to suffering humanity. There were those who did not come and, therefore, did not get healed. But everyone who came to Him was healed. On the cross Jesus took our sicknesses, He bore our pains; and by the wounds inflicted on His physical body, physical healing was obtained for us. Is healing the will of God? Hear Jesus declare it from the cross in John

Chapter 3 : Is it God's Will to Heal All? (Derek Prince) | Tree of Life Blog

The statement of Peter, about Jesus healing all those oppressed by the devil, can be understood in many different ways without assuming Satan is behind every illness. For one thing, it is a general statement of what Jesus accomplished.

Jesus said to him, "Have I been with you so long, and yet you have not known Me, Philip? God was manifested in the flesh, justified in the Spirit, seen by angels, preached among the Gentiles, believed on in the world, received up in glory. How God anointed Jesus with the Holy Ghost and with power who went about doing good and healing all that were oppressed of the devil; for God was with him. Saints, it is the will of God that His people are healed. As long as the devil can use people to fool them into thinking God is bringing sickness on them, they will never resist the devil and believe for God to heal them because they think God is punishing them for something they did or did not do. The sad part is that you will have people in the church saying to the sick person, and others that God is trying to teach them something. If God has something to teach you He does not have to make you sick so that you can learn. Our God is a God of love - merciful and compassionate. The Bible says every good and perfect gift comes down from the Father of Light. Sickness cannot be a gift God sent down from heaven, because it is not good and there is no sickness in heaven. Also, sickness cannot be a good and perfect gift. The Bible says in Acts People who are unacquainted with the Word often do not realize that ever since the fall of man there has been a curse on the earth. Because they do not understand that they live in a fallen world, where the devil dominates. I have come that they may have life, and that they may have it more abundantly. Jesus makes it clear what the devil comes to do. The devil is a thief and he comes to steal, kill and destroy. Anything that steals, kills and destroys is from the devil. Jesus comes bless God I thank God I can read, so that we could have life and more abundantly. Abundant life is not lying in your bed sick and broke. The words that I speak to you I do not speak on My own authority; but the Father who dwells in Me does the works. He was always healing people every chance He got. Saints, we must understand that the ministry of Jesus consist of teaching, preaching and healing. That was and that is what the ministry of Christ Jesus is all about! Every city and village He entered He did the same thing Matthew 9: God is a healer. This verse has two meaning: That is the Will of God for our lives when problems and the storms of life arise. He is trying to see how much you can bear or God is trying to teach you something or if it is His Will, he will heal you. No, Jesus said "I Will". This woman was a descendant of Abraham and notice Jesus made it clear who had bounded her. He said Satan had bound her, not God. Time and time again we see Jesus healing people in the Bible either because of His compassion or through faith in Him. We never see Him turn down anyone for the condition that He was faced with. That is how God operates. All we have to do is believe in our hearts Roman I remember the devil was trying to attack my body with sickness and I started to take my medicine Proverbs 4: Do not let them depart from your eyes; keep them in the midst of your heart; For they are life to those who find them, and health to all their flesh" I started meditating on these scriptures in the Word:

Chapter 4 : Healing-Script-Cont

Mark talks about a child being made well after the demon left. Acts tells us Jesus healed all those oppressed by the devil. Therefore, at least some diseases are the work of the devil.

Where does sickness come from? We dwell in a very confusing world. One fact is obvious though: Some are quickly healed, others take longer and others never get healed. Interpretations about the origin of sickness is even more confusing. Some blame it to viruses and bacteria. Others blame it on the environment, and still others blame God. Some even go as far as to blame aliens from outer space! Who is right in all this? The Bible is the only true source who can reveal this to us. He created us in his image, giving us dominion of this whole planet. If we believe that God gave us sickness as well, then He is subject to it too, as we are created to His image! Some teach that God wants people to have sicknesses, depression and pain in order to them learn some spiritual truths. If this is true, why did God not give this teaching tool to Adam and Eve? Instead we notice that they were created "very good". He even goes further by giving them directions of what to eat in order to stay healthy. They will be yours for food. But where did sickness come from? They lived for hundreds of years after the incident, but they eventually did die. Why did it take them so long to die? One of the immediate consequences of sin was a complete separation of humankind from the tree of life. To avoid for them to live forever in sin! He must not be allowed to reach out his hand and take also from the tree of life and eat, and live forever. After he drove the man out, he placed on the east side of the Garden of Eden cherubim and a flaming sword flashing back and forth to guard the way to the tree of life. Spiritual death came first, as man now was ashamed to meet God in person. Sin which is separation from God, was the source of these nasty diseases. Here the aging process is mentioned. Physical Healing and Forgiveness are correlated. Generally, sickness is not the consequence of a particular sin that a person committed. Sickness is not the result of personal sin. Jesus demonstrated a correlation between forgiveness and healing. He said to the paralytic: In order for Jesus to show that he had authority to forgive, he healed that person as well. As Jesus is against sin not the sinner, he is against sickness as well! Sickness is not from God, it comes from the devil himself! The cause of sickness is not demonic, however the very existence of sickness is due to the evil one. Satan smiting Job directly. Although God allows diseases and sicknesses on this planet, the source of it is not God, but the devil himself. Illnesses are considered a curse in the Bible. If you read Deut It is clear here that God does not consider sickness to be a blessing, but rather a curse. The good news though is that Jesus died in our place and redeemed us from the curse— Gal 3: Under the power of. Sicknesses was and is still caused by the devil himself. He "oppresses" us with it. When Jesus encountered a demon, Luke 4: That poor woman had a terrible fever. The same word is used for both rebuking devils and fevers! Jesus spoke to the fever the same way he spoke to demons. Please do understand that while all illnesses are not caused by demons, a demon can be at the source of sickness. You cannot rebuke a lifeless thing. Jesus was speaking to illnesses as I would speak to another human being. When Christians today use their prerogative of rebuking sickness, they are speaking to the power behind illnesses. Jesus, our example healed a woman "Luke So come and be healed on those days, not on the Sabbath. Who does He think He is! Jesus response is recorded in Luke Religious tradition may claim that God desires sickness in His people, but Jesus made it clear that the devil was the culprit! There are many Bible texts that denotate the connection between illnesses and the satanic world. A mute possessed person was brought in the presence of the Messiah. Jesus drove the evil spirits out and Matt 9: The devil is a thief who John It steals our health away and destroys us prematurely. What a contrast with Jesus who declared: It is interesting to notice that people from around the world are quite conscious that sickness is bad. Why are so many hospitals build, if sickness would be good for us? God only gives good gifts. Sickness is far from being good! No one was ever turned away from Jesus. Any sick person who came in contact with Jesus was healed. Depressions were lifted, fevers disappeared, demons thrown out. Jesus cared and healed anyone who came to Him. Why would Jesus heal someone, if God wanted that disease in that person? God never

contradicts Himself. He is a healer! When Jesus will return on earth, He will establish an awesome kingdom! They will be his people, and God himself will be with them and be their God. Chapter 5 : Does All Illness Actually Come From The Devil? – Healthy Living With God

Christ had authority over sickness and the devil. He had the right to command the sickness to leave and the I'm going to preach healing because God is a God of.

In other words, the disease is something, which is exclusively the tool of Satan-the archenemy of God. One of the verses that are often quoted to support this idea comes from the writings of Paul. He stated the following to the Corinthians: In other words, it originated from the devil. And this is further confirmed by the story of Job. The Bible records the trials and tribulations of a man named Job. Among other things, he was struck with painful boils all over his body. Scripture explains it this way: Then Job took a broken piece of pottery to scrape himself and sat among the ashes. Therefore, from the experience of Job, we have a further indication from Scripture that sickness has its origin in the devil. There is one further passage often cited, Simon Peter, when explaining the mission of Jesus Christ to many Gentiles, or non-Jews, stated the following: You know what happened throughout Judea, beginning in Galilee, after John began preaching his message of baptism. Then Jesus went around doing good and healing all who were oppressed by the devil, for God was with him. This passage further confirms that all physical ailments come from the devil. If this is true, then we must do whatever is necessary to rid ourselves of our illnesses and physical infirmities, since they always originate from the evil one. As we examine the Scripture, we find that it is possible that sickness can originate from the devil. Indeed, the above passages make this clear. However, it is wrong to assume that it is the devil, alone, who is responsible for all of our ailments. In fact, is it just not correct to blame Satan for every illness that people suffer? There are many points, which need to be made about this. To begin with, the Bible says that illness is a result of our fallen, sinful nature. This nature is something, which every human being possesses. In point of fact, each of us has inherited a sinful nature, which causes us to become ill at times. There are no exceptions to this. Thus, we become sick because of who we are fallen human beings. Illness can also result from the lack of care that we show to our bodies. In other words, it is our own doing. If we do not eat right, sleep right, or properly take care of ourselves, then we will become sick. In these cases, we have nobody to blame but ourselves. There is also the possibility that illness, or some physical infirmity, is something, which is sent by God Himself! In fact, the Lord testifies that He, for His purposes, allows people to be sick, or causes people to be infirmed. We read in the Book of Exodus the words of the Lord to Moses: Or who makes the mute, the deaf, the seeing, or the blind? Have not I, the Lord? In this passage, the Lord says that He is the One who makes people deaf, mute and blind. Thus, while illness may be a result of an attack of the devil, it indeed is not the only reason as to why a person becomes infirmed. Consequently, we should not assume that sicknesses are always his work. As far as the claim, that the statement of Paul proves that all illness comes from the devil, we find that just the opposite is the case when we read his entire comment in context. He wrote the following: Three different times I begged God to make me well again. But I am with you; that is all you need. My power shows up best in weak people. Several things are important to note. Some have suggested that it was malaria, epilepsy, or a disease of the eyes see Gal 4: Whatever the case, it was a chronic and debilitating problem, which at times kept him from working. This thorn was a hindrance to his ministry, and he prayed for its removal, but God refused. Paul was a very independent person, so this thorn must have been difficult for him. Three times Paul prayed for healing and did not receive it. But he was given things far more significant because he received greater grace from God, a stronger character, humility, and ability to empathize with others. Also, it benefited those around him as they saw God at work in his life. God chooses according to his divine purposes. Our task is to pray, to believe, and to trust. Paul is living proof that holy living and courageous faith do not ensure instant physical healing. We must recognize that nothing separates us from his love Rom 8: As we recognize our limitations, we will depend more on God for our effectiveness rather than on our energy, effort, or talent. When we are weak, allowing God to fill us with his power, then we are stronger than we could ever be on our own. God does not intend for us to be weak, passive, or ineffective—life

provides enough hindrances and setbacks without us creating them. When those obstacles come, we must depend on God. Only his power will make us useful for him and will help us do work that has lasting value. A man will give up everything he has to save his life. But reach out and take away his health, and he will surely curse you to your face! Satan believed that Job was willing to accept the loss of family and property as long as his own skin was safe. The fact that the devil had to request harm, Job shows that illness is not something that he can send whenever and wherever he pleases. This further illustrates that the Lord is ultimately the One who makes the decisions as to who is sick, and who is not. Peter Was Not Attempting to Explain Where Illness Originates The statement of Peter, about Jesus healing all those oppressed by the devil, can be understood in many different ways without assuming Satan is behind every illness. For one thing, it is a general statement of what Jesus accomplished. In other words, it is not trying to state the source of diseases and infirmities specifically. Furthermore, the statement could be understood to refer to a specific category of people-those who were under the demonic influence. When confronted with those who were demon-possessed, Jesus always exorcised the evil spirit, or spirits, from the person. The Bible makes it clear that it does not. All in all, we can conclude that illness is not always the work of the devil. Therefore, sickness, as well as other physical infirmities, should not be viewed in this manner.

Acts "How God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him." The Greek word here for "under the power of" is "katadunasteuo" which literally means "to exercise dominion against, i.e. oppress".

He preached the kingdom of God and demonstrated it by healing all kinds of sicknesses and diseases. Jesus did not just heal the spiritual condition of the people but He also healed physical sicknesses. When God finished His creation His creation was good. There was no sickness in the beginning. There is also a tree of life there and its leaves are for the healing of the nations. Therefore, God wants healing for the nations also on earth. The leaves of the tree were for healing of the nations. He never let an opportunity to heal people pass by. Jesus, who was the exact representation of the Father, never put sickness on anyone. Luke 9: After His resurrection, He also commissioned the church to heal the sick. Chapter 8 : God's will when prayer fails - More on God's will to heal

It says: How God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil. Notice all three Persons of the Trinity - Father, Son, and Holy Spirit - are united in the ministry of healing.

You need to reach out and receive what Jesus did for you by faith! Therefore, sickness and disease is a result of sin. Sickness is a result of a curse Deuteronomy Generational curses Exodus Payment for our healing Isaiah In those days, 40 lashings was the point where most people died, because the torture was too unbearable for any person to handle. Your healing has been paid for with the Blood of Jesus! We must reach out and take what Jesus gave us through faith! For one, it was paid for as part of the new covenant package, which every believer is entitled to, but there are a few other good reasons to believe that healing is for every believer and here are some of them: Obviously, sickness had a lot to do with the fallen state of mankind. And if Jesus came to destroy the works of the devil 1 John 3: It makes no sense. That would be embarrassing to walk upto him, and try to heal him and nothing happens! Did they say, "Lord, if it is thy will, heal this man. They spoke out the word, and the man was healed! Just like Jesus instructed them to do! Just take a look at some of these verses: Divine healing is for us today! The scriptures are very clear that those who believe upon Jesus are automatically entitled to the promises of the new covenant. The Bible never says that this would end before the return of Christ, and therefore there is no Biblical reason to believe that healing is not for today. That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her: And the ruler of the synagogue answered with indignation, because that Jesus had healed on the sabbath day, and said unto the people, There are six days in which men ought to work: The Lord then answered him, and said, Thou hypocrite, doth not each one of you on the sabbath loose his ox or his ass from the stall, and lead him away to watering? And ought not this woman, being a daughter of Abraham, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the sabbath day? Roughly half of all the healings Jesus did in the book of Matthew were actually deliverances from evil spirits. There were spirits which caused blindness, deafness, and other physical infirmities. What some people can pray for months over, can be dealt with in a single deliverance counseling session. Cancer and arthritis are some of the popular ones. Which turns the person over to the tormenters Matthew Depending on the bondage at hand, and if there are any legal grounds such as unconfessed sins or unforgiveness , there may need to be a couple steps taken to remove any legal grounds before actually rebuking the unclean spirits. This subject is beyond the scope of this teaching, but there are many teachings on this Web site that cover various aspects of the deliverance process. Authority to heal Jesus said to, "Heal the sick"! I have never seen where Jesus prayed, "Father, please heal this person! Rise, take up thy bed, and walk. Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. Jesus said that those who believe will have the Holy Ghost flowing out of their innermost being John 7: For this thing I besought the Lord thrice, that it might depart from me. And he said unto me, My grace is sufficient for thee: Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me. After all, Jesus came to destroy the works of the devil, did He not? Persecutions were one thing that Jesus said His people would have to face John How to receive your healing Know what is rightfully yours: You need to understand that you, as a child of God, are fully entitled to your healing through the blood that Jesus shed when He was whipped "By His stripes! Just like when you were saved, it was by faith you received Christ into your heart and life. Same is true with healing, it is by faith that we receive the promises of God. Repent of unconfessed sins: Unconfessed sins can be sins lingering in our lives, and need to be addressed. We need to confess and forsake our sins, and when we do that, God graciously forgives us, and those sins can no longer hinder or block your healing. Once you confess and repent of your sin, your heavenly Father welcomes you

with open arms Luke 15! Release unforgiveness from your heart: Release the hurt from your heart that they have caused you, for unforgiveness can come between you and God and prevent your own sins from being forgiven Matthew 6: Forgive me for not forgiving them as I should have. Forgiveness is a choice, and when you make that choice, God can help you heal and release those hurt feelings in your heart against that person s. Laying on of hands: Just like Jesus and the early church did: This is one of the most common of blockages that can prevent a healing. Jesus made it clear in many healings, that faith is important for you to use in receiving your healing. If thou canst believe, all things are possible to him that believeth. Unforgiveness in the heart: Different times Jesus would say to the person "your sins are forgiven" instead of saying "rise and walk". In other words, Him forgiving their sins, opened them up to be healed as well. Pray and ask God to reveal to you any sins that you need to take before Him. Sometimes a healing is not what the person needs. A spirit of infirmity has attached itself to them, and is causing some sort of health problem. Spirits were known to cause physical infirmities, blindness, deafness, etc. What kind of faith is that? These are some of the common things that can block a healing. This spiritual realm is not a one-shot deal in every situation. There can be many reasons why a person is where they are. I know the deliverance ministry has brought healing to many many people, because so many sickness and diseases are not really physical problems at all, but spiritual ones manifesting in the physical realm. Chapter 9 : Speak God's Will for Your Healing | Kenneth Copeland Ministries

God has given us authority today over all the powers of sickness and over all the powers of the devil. When we pray for you, we demand in the Name of Jesus that the devil release his hand from you. All sickness is the result of the devil.

This month, I want to bring something to the table which should get us all thinking about this whole subject of healing. There are so many times, things under the surface that are going on which are never addressed. Somehow, the church today thinks that if we just launch a few prayers to heaven, that the will of God will be done. The root to the disease Lupus is almost always rooted in issues of self-hate. Henry Wright, a highly respected leader in healing and deliverance ministry, said that when you address the self hate, certain diseases such as lupus just start to disappear. Let me ask you this: Many of us might say that the devil hindered us, as Paul was hindered by Satan see 1 Thessalonians 2: What if you prayed and prayed for a loved one to get saved, and they died cursing God and went to hell? To even take this a step further, there is only one place in the entire NT which speaks of praying for the sick. Nowhere in the entire NT am I aware of, did God ever get an ounce of glory from somebody remaining in their sickness or disease! One good point that the Holy Spirit had shown me was concerning the will of God here on earth, and that it is the same as His will in heaven. You can read my teaching on The Will of God on Earth for a better understanding of this revelation. Basically, what we see happening in heaven, is what God wants to see here on earth remember "Thy will be done here on earth as it is in heaven"? Do we see things missing, broken, sickened, and lacking up in heaven? The whole point of Jesus coming here to earth and doing all those miracles, healings, deliverances, etc. This is why Jesus equipped the saints to heal the sick and cast out demons see Mark I have a more detailed teaching on Biblical faith and healing , but I want to address briefly here as well. You cannot have faith for something that has not been promised to you. If I never promised to pay your student loan off, you have no grounds to believe that I will. As Pastor James Brandt says, "You can only have faith for something that is promised to you in the Word. Furthermore, in that passage, we are told that the prayer of faith WILL save the sick. This prayer of faith is a very important subject all by itself, as it is not just a prayer of concentration "if it be thy will". The Bible tells us that he who asks of faith needs to ask believing, or else he cannot expect anything from God see James 1: Having faith in somebody for something means that you are trusting them to come through on a promise made. The same principal is true when it comes to receiving the promises of God. The man born blind never died in that state, or it would have never given God glory. All too often people take their sicknesses and diseases to the grave, which brings God no glory. What gave God glory in the NT concerning those who were sick? It was when they were healed; scores of healings took place and brought God much glory among the people. And his fame went throughout all Syria: And the whole multitude sought to touch him: There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: His powerful video training series is now available!
