In this, her first cookbook, she celebrates the slow cooking and earthy flavors often found in great Italian dishes. In *Crema di Porcini Creamy Porcini Soup*, five kinds of mushrooms simmered with garlic and butter and splashed with sherry form a rich, creamy and utterly satisfying soup perfect for a fall or winter meal. In *Zuppa di Vongole al Prosecco Clam Stew With Prosecco*, the simplest of ingredients - littleneck clams, Prosecco a dry white wine, parsley, crunchy crostini - combine to make a lovely appetizer or meal. Be careful, though, to taste before seasoning this dish: The saltiness of the clams varies widely. The book ends with a chapter featuring four seasonal crostate - or Italian dessert tarts - that offer an excellent, not-too-sweet finale to a meal. As the jam tart - a crusty, flaky pastry shell topped with berry preserves - easily shows, sometimes simplicity has it all over extravagance. Add the butternut squash, along with 2 cups of the corn. Give everything a good stir and season with salt and pepper. Cover and, keeping the heat low, let the vegetables cook gently and release their juices; this should take about 10 minutes. Pour in the stock and milk and bring to a simmer. Cook gently until the vegetables are very tender, about 20 minutes. Keep a close eye on it because the milk in the soup could make it boil over. Melt the remaining 1 teaspoon butter. Mix the butter with the remaining 2 cups of corn and spread on a rimmed baking sheet. Season with salt and pepper and broil about 3 inches from the heat. It will take about 8 minutes to become nicely toasted and golden, but stir the corn about halfway through so it toasts evenly. When the soup is ready, let it cook a little. Have a large bowl handy into which to pour the pureed soup. Return the soup to the saucepan and reheat gently. Serve the soup in warm bowls with the toasted corn sprinkled on top.
