Ryder System, Inc. (NYSE:R), a leader in commercial fleet management, dedicated transportation, and supply chain solutions, today announced it is strengthening its omni-channel fulfillment.

Printing with Threadbird is not a requirement in order to use our fulfillment services. Each service is separate and you can either use one or both. Do you offer print on demand? At this time, no. Is there a setup fee to get started with fulfillment? Is there a contract associated with fulfillment? You are free to leave at any time, but you will be responsible for the cost of shipping all remaining products back to you. All outstanding invoices must be paid before your product is shipped back. Can I include free items with my order stickers, wristbands, etc? We can include one 1 small item in each package at no extra charge. Anything more than that may require a small additional fee. How can I get items from my inventory sent directly to me? All we need is an email with the request, the shipping address, and how quickly it needs to arrive. Can I sell items other than t-shirts? We can ship most items, including but not limited to: Can I provide my own custom packaging? Although it depends on the complexity of the customization, you will not be charged for additional packaging fees. Please speak with us prior to providing us with packaging. All packaging you provide will be counted as additional product storage. Will the packing slip and shipping label be branded? Will anything else come with the package? Our standard packaging includes a blank white polybag or blank box. It will have your name listed over our address as the shipper for all domestic shipments.
