Relive the mystery, drama, and excitement as the world is suddenly thrown into chaos and turmoil on account of millions of people suddenly disappearing off the face of the earth. No trace of them is left behind, and the only commonality between those who were taken is their faith in God. Follow airline pilot Rayford Steele Brad Johnson as he attempts to calm the fears of those left behind on his plane. The first book, Left Behind, was released in to critical acclaim, and quickly became a best-selling novel. Several other novels in the series also made the New York Times Best-Seller list, and by the time the 16th book came out in , it had sold over 65 million copies. This series is more than just a warning or a series designed to preach at people about the coming end times, this series is also an incredible thriller. Featuring many different dangerous and intense situations, the protagonists in this film are always faced with challenging and difficult trials at every turn. Film Adaptation After the success of these books, it was decided that Lahaye and Jenkins would develop this popular series into a movie adaptation. These films have helped many people come to realize about what is going to happen in the end times and how they need to make decisions for their lives now. Something about this series and its concept has stuck with people over the years. People begin to wonder what the rapture would really look like and question how the end times are really going to play out. Jenkins and Tim Lahaye to create this series. Their goal is to try and help bring knowledge and understanding to what events are being described in the book of Revelation. While no one truly knows how everything is all going to play out in the end, Jenkins and Lahaye give us a solid idea, or a theory of what is going to happen in the end times. This Christian DVD set also includes a disc of bonus features with a special behind-the-scenes documentary, showing what it was like to film, edit, and produce these three movies. Left Behind In the original Left Behind movie, originally released in , the end times begin as millions of people disappear off the face of the earth. Rayford and Chloe Steele are two of the many that are left behind, and together they must figure out how to make sense of the new world around them. Meanwhile, Buck Williams, a reporter for GNN news investigates mysterious politics and intrigue and begins to draw closer to rising politician Nicolae Carpathia. Through his research, he begins to discover what a dangerous place the world is about to become, and that the Anti-Christ spoken about in the bible is about to take power. While they may all be united in their faith in Christ, they find that the road begins to get even harder as they begin to face persecution for their beliefs. Because of their close proximity to Carpathia, they are able to combat several of his schemes. However, being so close to the anti-Christ also causes dangerous situations and results. World at War , Carpathia begins to step up his attack, detonating nuclear bombs all across the earth, wreaking more havoc and causing war to envelop the entire world. Stakes also get higher for the tribulation force as they experience loss and tragedy that begin to shake up and test their faith. Buck and Chloe also work to destroy the Global Community, a new one-world government set on uniting the whole world under one order.
