

## Chapter 1 : Mad Hatter Summer Pale â€¢ RateBeer

*Mad Hatter Summer [Donald Thomas] on blog.quintoapp.com \*FREE\* shipping on qualifying offers. Lewis Carroll finds himself trapped in a web of conspiracy, murder, extortion, and sexuality when he becomes the target of a ruthless blackmailer.*

Aroma of citrus, grass, straw, hop, tropical fruit, biscuit and lemongrass. Light sweetness, medium to heavy bitterness. Light to medium body, slight oily and watery texture, above average carbonation. Finish is bitter citrus with a little more sweetness developing. Clear golden with a white head. Aroma is sweet, malty and moderate hoppy - fruity. Flavor is quite sweet and moderate bitter. Sweet and moderate bitter finish. Nice head with good duration. Aroma and taste are malt, fruits, flowers, hops and has a nice bitter finish. Clear medium orange yellow color with a average, frothy, good lacing, mostly lasting, white to off-white head. Aroma is moderate malty, pale malt, fruity malt, biscuit malt, light to light moderate hoppy, leather notes. Flavor is moderate sweet with a average duration, fruity malt, sweet malt, sweet fruit, biscuit malt, earthy notes. Pours clear gold with a creamy, white head. The nose has crusty pale malts, a little tangy citrus. Light sweet flavour with light bitter straw, lemon candies, grain husk. Light bodied with average carbonation. Finishes with light grassy bitterness, dry pale grains, lemon rind. Hazy golden with a white foam. Pale toasted malts with honey and lemon. Oranges with bread yeast. Hazy gold with white head. There is a cereal maltiness to this, sweetish with a light lemon hint, pithy, some bitterness. Short in the close. Lightly hated orange with a decent white head. Nose is soft bread, orange peel, straw, lemon rind. Taste comprises orange pith, soft bread, straw, melon, toasted grains. Barely clear, golden colour with small to average, thick, creamy, fairly lasting, minimally lacing, white head. Citrusy hoppy and minimally tropical fruity aroma, notes of lemon, hints of mandarine, orange jelly bear. Taste is citrusy fruity, notes of mandarine, orange, lemon; soft to flat carbonation. Possibly a new beer. Bubbly, glossy topped, lasting, creamy white head. Nose has caramel ice cream. Sweet and a little yeasty. Taste has a little sweetness, turning, spicy, grassy bitter. Makes the beer come over a little sharp. Crisp, fruity bitter finish.
