Chapter 2 : Kay Smith Holt (Author of Miracle of the Hills)

A minister arrives at a run-down mining town to take over the church there. He finds he has his work cut out for him, especially when an earthquake causes a flood in the mineshaft and traps some of the local children.

Accordingly, these photographs showed some unique events, mysterious and unexplained appearances of images with religious connotations on the surrounding hills of the shrine complex. A collage of these photographs is seen at a meter long tarpaulin installed at the site next to the newly-built Divine Mercy Church as shown below. I will be featuring and retyping the text on each of the image in case the letters are too small for you to read. Over 15, devotees witness the dancing sun. Photo by Jaycee Jaque. As a comparison, below is a photo I took yesterday. A rare photo, with a spectrum rainbow illuminating the halo of the 50 foot Divine Mercy Statue, taken during the Feast of the Divine Mercy last April 15, Guiruela, September 7, at 1: After attending the 3: The sun rays form a pattern of circular rays host around a Chalice, symbolic of the Holy Eucharist. August 30, around 5: Henry Abcede, a pilgrim from abroad took a picture using his cellphone after taking the shot he noticed two other round shining objects smaller than that of the sun. This miracle was witnessed by 5, pilgrims. The Divine Mercy Hills is enveloped by rays from the East and from the West lasted for a few minutes. The rays from the East looked like the Sacred Heart rays signifying the Love of Jesus and the rays from the West looked like the Divine Mercy rays that came out from His heart signify the mercy of God. The love and mercy of the Lord was felt during the solemn feast day celebration. Truly, God is present at the Divine Mercy Hills. It is worthy to note that the Divine Mercy devotion in Cagayan de Oro was started by a small group of Sacred Heart devotees. Feast of the Divine Mercy Mercy Sunday dawn procession. Only these pictures came out as such, the rest were plain and clear. However, during the prayer meetings of the Divine Mercy Intercessory after the feast day, some visionaries have received a message explaining that the round objects were in the pictures were in fact angels during the procession. This was taken on August 25, at around 1: Mike Dial, a balikbayan from Sacramento, California. Mike saw the flash of light like a bright morning star moving around the vicinity of the Divine Mercy Hills. It stopped above the spot where the Divine Mercy Statue is now standing. It was revealed in a vision that the bright morning star is the one protecting the place which is a holy ground. Several times the dancing sun appeared especially during the celebration of the Feast of Mercy and the birthday of the Blessed Virgin. It is one spectacular sight that the pilgrims love to watch and even expect it to happen again. And finally, below is a screenshot of an unedited video cellphone by Bryan Soria which shows the combined image of the sacred heart of Jesus, Christ the King and Divine Mercy based on the pic, the video was taken April 7, Expert photographers could have a say on some of these photos as mere photographic effects. Skeptics too abound but surely, religious devotion and trust in the Lord is what dictates the pilgrims and devotees in sharing these images.
