

Chapter 1 : Moonspun (ebook) by Michele Hauf |

When I saw that Michele was doing a follow-up to Her Vampire Husband to say that I was excited is a bit of an understatement. In true Michele Hauf fashion, Moonspun is a steamy, heartfelt, captivating tale full of sacrifice and proof positive that love can conquer all.

Aug 02, Alex rated it it was amazing Recommends it for: Michele Hauf Once again, Michele Hauf out does herself. Blu and Creed are back. And what a couple they make! This novella is for those that enjoyed Her Vampire Husband, and for those that are a fan of Cravings. A strong love for the family. I felt that some of the sex scenes were more filler than helping to progress the story. Girl and guy wish to have a child, but because they are werewolf and vampire, they need faery magic in order to do so. Girl promised their firstborn. Guy promised their second born. The male lead has stepped down as tribe leader to be the head of the group of vampires who rescue vampires taken, tortured, and forced to fight by the werewolves. The day their old neighbor shoots the female lead thinking she is a wolf because of her hair and her wearing a fur coat is the day she goes into labor. The babies were born at exactly the same time because their umbilical cords were strangling each other. They name the babies Kam and Kai. However, the faery king says that if the babies ever make a faery fall in love with them, then their literal hearts will be forfeit. I just wish that the ending was a bit longer. Also, I want to know what happened to their elderly trigger happy neighbor.

Reviews Moonspun Wicked Games, 3. Blu and Creed are back. And what a couple they make! This novella is for those that enjoy a strong love for the family. Patricia I felt that some of the sex scenes were more filler than helping to progress the story. Girl and guy wish to have a child, but because they are werewolf and vampire, they need faery magic in order to do so. Girl promised their firstborn. Guy promised their second born. The male lead has stepped down as tribe leader to be the head of the Apart from the hot and steamy sex, yes was worth mentioning again, we get to see how they have developed as a couple and how much they adore each other. Creed is smouldering yummy I fell totally head over heels in love with the werewolf princess Blu and her vampire husband Creed Saint-Pierre. So I was overjoyed when I discovered that Ms. Hauf had written a novella continuing their story. So, almost 2 years later, I got to fall in love with these two characters all over again. When I saw that Michele was doing a follow-up to Her Vampire Husband to say that I was excited is a bit of an understatement. In true Michele Hauf fashion, Moonspun is a steamy, heartfelt, captivating tale full of sacrifice and proof positive that love can conquer all. I would highly recommend this book for all paranormal romance fans, but would especially recommend it if you, like Tina A really nice follow up to My Vampire Husband. I enjoyed this book and found it a really lovely end to a sweet tale but also open to further story lines. Would recommend but suggest reading the initial book first. Best quotes, "And hell, she jilled off It could take it, and he preferred it rough. I can understand them wanting a family and glad they could figure out how, but the way was too much like Rhys and Viviane in Seducing the Vampire. Though this has a happier ending. I enjoyed watching Creed and Blu continue their relationship and fight for the next stage of their love. A lot of love, sex, drama and all out fun: And leaves room for more to come. Hope it is something that does continue.
