August 24, by: Aladdin More books by this author: The Little Book of Twitter: Like Edward Cullen in "Twilight", Nigel Mullet was transformed into a vampire when he was still a teenager, and will remain this age forever. Unfortunately, Nigel became a vampire at the awkward age of fifteen, and must spend eternity coping with acne, a breaking voice, and an ineptitude with girls. Fantastically witty and hugely entertaining, this fun and accessible diary will appeal to any fan of "Twilight" or "Adrian Mole", teenage or otherwise. Notes from a Totally Lame Vampire was a totally awesome, funny read that made me tear through the pages. Nigel may look like a normal teenage boy physically but really he is an year old vampire. Yeah you read me. A Vampire in England. Now Nigel is only trying to survive middle school, get the girl of his dreams, and, oh yeah, try to hide his fangs. I ate up this book. I love books with a diary set of writing. They may look big but really they only take a day or two to read. This book was hilarious. Some of them took my breath away they were so amazing. Nigel was a funny character. His illustrations were fantastic and I found the way he drew his friends to be hilarious. I sympathized with Nigel about his crush on Chloe. Sometimes, though I would be pissed off that he would just ask her out already. Sure, I know that it must be frightening to ask out a girl but grow a sack and just ask! The worst thing she could do is say no! She was just too grown up for her age and she knew it. She would tell Nigel that they were the most mature kids in their school. How old are you? Be mature when you are actually an adult. She seemed to be O. But I think she was bad for Nigel. The last pages were completely unsuspected. A great unexpected read.

Chapter 2 : Fangs a Lot: Final Notes from a Totally Lame Vampire by Tim Collins

Notes from a Totally Lame Vampire by Tim Collins - Nigel Mullet isn't your typical teenager he's a vampire. But unfortunately, when Nigel transformed he.
