Previously Asked Questions on Books and Authors. Read the article carefully to study the list of important books and their authors and get ready to solve any question asked about books in the coming exams.

Top 10 Motivational Books of All Time Every business library should include at least one of these gems. In this post, I list the books that drive readers to change their lives, improve their lot, and build better careers. Beware of the final No. It also convinces you that acquiring them will make you a better person. After Carnegie, business relationships and personal relationships were seen not just as compatible, but as absolutely inseparable. Think and Grow Rich Napoleon Hill interviewed "40 millionaires" to discover the common thought processes and behaviors that had led to their success. His study of these "best practices" was revolutionary in a world where it was largely assumed that great wealth resulted from a combination of greed and luck. Imagination is the workshop of your mind, capable of turning mind energy into accomplishment and wealth. Awaken the Giant Within Anthony Robbins is unlike most motivational writers in two ways. First, he treats training the mind and body as a technological challenge rather than moral imperative. Second, he somehow manages to be both an inspirational role model and the most annoying guy on the planet. If you must, you can. As a Man Thinketh Motivational books are usually about taking immediate action. By contrast, this classic by James Allen is a bit more, well, thoughtful. As the visible world is sustained by the invisible, so men, through all their trials and sins and sordid vocations, are nourished by the beautiful visions of their solitary dreamers. Required reading for anybody who sells. Which is just about everybody. This day is all I have and these hours are now my eternity. I greet this sunrise with cries of joy as a prisoner who is reprieved from death. I lift mine arms with thanks for this priceless gift of a new day. Drive Motivation comes from the judicious use of carrots and sticks, right? Not so, says author Daniel Pink. His book illustrates the fact that motivation comes from many sources and that, at the highest level of performance, motivation come from your deepest and most profound sense of who you are and want to be. The Power of Positive Thinking When it was first published, both psychologists and theologians attacked this book as heretical, and accused author Norman Vincent Peale of being a crank. Inaction is not only the result, but the cause, of fear. Perhaps the action you take will be successful; perhaps different action or adjustments will have to follow. But any action is better than no action at all. What book ought to be on this list? What book has motivated you? What motivational book do you recommend to your friends? Mar 22, Like this column?

Who knows, one of these books might become your new favorite. It included a few of the same books above, plus two short stories by Stephen Crane. I have never started a novel It opens up the possibilities of a novel. It makes it seem worth doing. Warlord of Mars series. Martin has said that J. Arabian Nights ,," among others. He also included B. After he fired a gun as a suicide threat, the inn insisted that he be supervised by a nurse. Beckett wrote about many books in his correspondence: He described Around the World in 80 Days by Jules Verne as "lively stuff," wrote that his fourth reading of Effi Briest by Theodor Fontane caused "the same old tears in the same old places," and that he liked The Catcher in the Rye by J. Salinger "more than anything for a long time. The unexpurgated edition is instructional. Rowling she wrote the latter under a pseudonym went with a classic: Oswald is such a very real narrator, at a time when most people were writing morality plays for children. I felt like I was almost there with them in their living room and their kitchen. She had already read it enough times to almost memorize it in its entirety. Explaining in Wild the choice to bring along the extra weight in her pack, she writes: California was now my bible, but The Dream of a Common Language was my religion. When asked for her all-time favorite book, she said: I think young people today might not realize how readable that novel is. On the favorites list for the author of bestsellers like Tenth of December and Lincoln in the Bardo? I thought it was the only copy in the world. To this day I feel guilty. This article first ran in
