Tech Desk New Delhi Published: November 2, 6: From From Philips Hue lightstrip to Syska Smart LED bulb Diwali is on November 7, which is next week, and most who celebrate have started decking up homes with glights and decor to celebrate the festival. From rice lights to LED lamps, there is an array of lights available in the market that you can use to decorate the exterior of your home. However, if you want to add a different hue to the home decor, smart lighting can be a good option. While some these smart lights that enable you to change tone, brightness and play with colours they are easy to set up and can be controlled with your voice or from an app on your phone as well. We have list some of the best smart lights available in the Indian market. Among these, the Yeelight Aurora Lightstrip Plus can be one of the best picks to decorate your home this Diwali. Xiaomi backed Yeelight launches four new smart light products in India As the name suggests, it is a lightstrip which is extendable up to 10 metres. The Aurora Lightstrip Plus can produce up to 16 million colours and you can easily change colours with a single button. The smart lights have music sync support as well. The new Yeelight smart lights come with Wi-Fi support and you can easily control it with your smartphone or voice assistants like Amazon Alexa and Google Assistant. The Hue smart lighting system is easy to install and you can control the lights with the Hue app. However, Philips Hue Lightstrip requires Hue Bridge either generation one or generation two to function. This smart light system allows you to adjust shades of white and play with over 16 million colours. Besides the lightstrip, there are a variety of different lighting kits available in the Hue range. Philips Hue Lightstrip Base is available online for a price of Rs 5, Mi A2, Realme 2 Pro to Nokia 6. The app allows you to choose shades of light from a spectrum of three million colours. With the app, you can personalise the colour of the smart light and adjust the brightness as well depending on the ambience.
