

Chapter 1 : It Happens for a Reason Quotes by Preeti Shenoy

It Happens for a Reason When Vipasha, Vee to friends, eighteen and single, makes the decision to have her baby, she does more than give up her promising modeling career. She ends up cutting ties with her family and with Ankush, the man she thought she was in love with.

This one too started out as total page turner, and this one too has a rushed and unsatisfactory concluding sequence. The plot revolves around Vipasha Vee , a girl who gets pregnant at the age of 18, and decides to keep the child, in-spite of being at the peak of her modelling career, and the opposition from her family and even the father of her child. The story opens with Vee giving birth to her child, jumps to present day 15 years later for some time, and then goes into flashback, which I feel was a little stretched out. That is just me. Once we are done with the flashback, the story takes a leap forward again to present day, where Vee is a single mom to her son, and has got not one, but 2 unusual jobs. She owns and runs Paw-Factor, a dog boarding facility from her house, and also works as a part time gym instructor. All is well in her world until the day there is an unexpected tragedy at Paw-Factor. And while she is just getting things back under control, Ankush, the father of her child, and the love of her life arrives back on the scene. Also by Preeti Shenoy: There are a few reasons for this. Just before Ankush was back on the radar, Vee was developing a fondness for Saurabh, the vet who treated the dogs at Paw-Factor. It made me question why was he even there in the story. To make for an interesting blurb? The climax is normally the best and most gratifying part of reading a romance, and to say that I was disappointed, is putting it mildly. The proposal seemed like an afterthought, and there was no formal acceptance. It seemed to be more of a spur-of-the-moment thing, which is so not done. At-least that is how I feel about the subject. Make no mistake, Preeti is an extremely gifted story teller. She is amazingly insightful when it comes to love and relationships, and it shows in the stories that she writes. They are not picked from fantasy land. They are you and me, and people we know and can relate to. And this is why it is all the more disappointing to see a rushed conclusion for an otherwise interesting storyline and engaging narration. All in all, I enjoyed this book up until the very final chapters, and then it was kind of a letdown. Having said that, if you are someone for whom the journey is more important than the way the conclusion is handled, you might like this one. But it did not sit well with me to only write about the books that I loved, and leave out the ones I had an issue with. It just did not seem fair or right. So here I am. Have you read this book? Do you feel the same way about the ending sequence? Please feel free to share even if you have a contradictory opinion, as I am open to listening to a different perspective on how the conclusion was handled.

Chapter 2 : It happens for a reason. New novel releasing on 10th December !

review 1: In review to this book, I can just write that Manav was right IT HAPPENS FOR A REASON indeed Everything! This is one of the book that let you think about every action good or bad, either it hurts you or let you jump in joy, making realise that every thing happens for a reason and that reason is always Good.

All this while inching towards dreams, own dreams It is a heartening tale of how past relationships, when broken without a proper closure, can come back to haunt the present. Life is always in turmoil. The drag exceeds your expectations at a certain juncture. Not that you are left with lot of choices but the chaos and drama always helps you build your present and future in tune with the society. This story brings this out very well. At times our own roots become puppets of indiscretion and sometimes they tend to lose the basic moralities. This is the story of young Vipasha; known as Vee to friends, eighteen and single, makes the decision to have her baby, she does more than give up her promising modeling career. She ends up cutting ties with her family and with Ankush, the man she thought she was in love with. Fast-forward sixteen years and she now has two unusual careers - she runs a dog-boarding facility and is a gym instructor. Aryan thinks she is the coolest mom in the world and hopes she will one day find her Prince Charming - exactly what her best friend Suchi has in mind for her. But Vee secretly has a thing for Saurabh, the quirky vet doctor. Vipasha has filthy rich parents, but what they lack in as parents is that they try to cover up everything with riches. Not everything can be covered by riches. Certain incidents of her life compel the young girl, to be on her own and to explore and be at the mercy of the world. Her world completely changes with the hasty entry and exit of Ankush, the only love of her life and she is left to fend for herself in this big bad world. But how painful is it going to be? Will her decisions let her carry on with a sense of security or will it be a dreadful end to the little and innocent soul? Will there be another Ankush who will also shirk away from his responsibility? Will life ever be the same again? The monotonous and constant question which hangs in air "what will happen next," is a perfect way to describe the entire story. It is picked up from the lives of some people who suffer in stoic silence and some who chose to defy and go ahead with their plans. There is a mutual character involvement and a grave understanding, as if everyone speaks for themselves. Right from the toddler to the elder they all have a role to play and the author keeps them in the loop to take story ahead in positive strides. Be it love or friendship or any other relationship known to mankind it offers you all in a platter and serves the right recipe to hold on to it. Then, out of the blue, Ankush comes back into their life. But can a decision that was taken at eighteen - more in the throes of lust than love be the basis of a lifelong relationship? Is there a future for Ankush and Vee? Vee, Aryan and Ankush are in for the ride of their lives. No seat belts, full speed and a very bumpy road ahead. Now my Positive viewpoints: This is a good work done by the author for writing such an arresting work of fiction. The author does not deviate much from the plot. Overall, the book is highly recommended by me to all those who want to read a good fiction to pass their time on any given weekend. Overall the book is good and very well expressed. He remains invisible for a very long period. The author could have given a little more voice to his character rather than keeping him out of the loop for a long period. I was wondering if she will come out of her comfort zone and deliver another amazing and bestselling novel. Overall if asked I would say

Chapter 3 : Book Review: It Happens for a Reason, by Preeti Shenoy – A Bookworm's Musing

'It Happens for a Reason' is a cross between romance, drama and everyday fiction. The plot revolves around Vipasha (Vee), a girl who gets preg Originally Published on blog.quintoapp.com This is the second Preeti Shenoy book that I have read after 'The One You Cannot Have', and while both these stories are very different from each.

People who bought this also bought Preeti Shenoy Narrated by: Jasleen Bhalla, Surjan Singh Length: His best friend is Subbu, a nerd who breathes, thinks and lives code. Aniket cannot believe his luck when he starts dating Trish - a stunning, sexy model who is totally out of his league. But Trish has a list of things she wants him to work on, beginning with his potbelly and his geekiness. Meetu Chilana, Sanjiv Jhaveri Length: Theirs was a love that would last forever and more. Then, out of the blue, Shruti left Aman. A devastated Aman moved abroad in the hope of forgetting Shruti and to heal. Now Aman is back in India and looking for a fresh start. But he is still haunted by memories of his love. Can he ever break free from it? Can there be a happily ever after for any of them? Everyone Has a Story Narrated by: Smita Singh, Shriram Iyer Length: He is a good lover; he adores Adah and can forego any comfort of the world for her sake. But even then, he is not happy. After much deliberation, he takes the plunge and leaves his job to write full-time. While he struggles for balance, Adah also starts keeping herself away. Was she really in love with him, or was it just a facade?

Chapter 4 : It Happens for a Reason. A novel by Preeti Shenoy. Read the first few pages!

It Happens For A Reason by Preeti Shenoy - Book Review. While Ankush's return might sound very exciting, this was the point where the book started to go downhill for me.

It happens for a reason by Preeti Shenoy – Review is an article dedicated to the review of her one of the most celebrated book. If you have not read the book, try its review. The plot revolves around Vipasha, a girl who gets pregnant at the age of 18 and decides to keep the child, in spite of being at the peak of her modeling career, and the opposition from her family and even the father of her child. That is just me. Once done with the flashback, the story takes a leap forward again to present day, where Vipasha is a single mom to her son and has got not one, but 2 unusual jobs. She owns and runs Paw-Factor, a dog boarding facility from her house, and also works as a part time gym instructor. All is well in her world until the day there is an unexpected tragedy at Paw-Factor. And while she is just getting things back under control, Ankush, the father of her child, and the love of her life arrive back on. There are a few reasons for this. Just before Ankush was back on the radar, Vipasha was developing a fondness for Saurabh, the vet who treated the dogs at Paw-Factor. The climax is normally the best and most gratifying part of reading a romance, and to say that I was disappointed, is putting it mildly. The proposal seemed like an afterthought, and there was no formal acceptance. It seemed to be more of a spur-of-the-moment thing, which is so not done. Asking someone to marry you should have deeper thought and stronger feelings involved. At least that is how I feel about the subject. Making no mistake, Preeti is an extremely gifted story teller. She is amazingly insightful when it comes to love and relationships, and it shows in the stories that she writes. They are not picked from fantasy land. They are people we know and can relate to. And this is why it is all the more disappointing to see a rushed conclusion for an otherwise interesting storyline and engaging narration. All in all, people enjoyed this book up until the very final chapters, and then it was kind of a letdown. However, an emotional heart touching story.
