

Chapter 1 : Principal's Test - DepEd CDO Division

The Principals' Test is open to all aspirants for a Principal I position as required under DepEd Order (DO) No. 39, s. entitled Modified Qualification Standards for the Positions of Head Teachers and Principals and DO 97, s. entitled Revised Guidelines on the Allocation and Reclassification of School Heads Positions.

Leadership appears to particularly impact the quality of teaching in the school, which clearly implies that school leader must necessarily provide focus and direction to curriculum and instruction and manage the school organization efficiently to support student and adult learning. Great school leaders bring out the best in teachers, school personnel and students Leadership is a universal human activity in which leader influence followers to act in order to attain goals that represent the motives, needs, wants, hopes, and expectations of both followers and leaders Burns, Many of the literatures on leadership describe it as a process of motivating and inspiring others to work hard in achieving the goals and targets of the organization. School leaders like principal are expected to build strong and sustainable motivation, enthusiasm and commitment to help accomplish and attain organization plans. It is a futuristic picture of the enterprise or organization. It is time-bound, ambitious but realistic and a target market focus that enables the entrepreneur to plan strategically. Benis and Nanus, Key elements of a compelling vision statement: Can the vision be felt or experienced? The term visionary leadership describes a leader who knows exactly the current status of the school, has a clear and compelling sense of where the school should be, and possess the right understanding of the actions and behaviour needed in order to bring the school to where it should be. The movie in schools is toward transformational leadership. Which characterizes transformational leadership? Empowers those who participate in the process II. Intrinsically motivates people to improve their practice III. Helps staff develop and maintain a collaborative, professional school culture a. I and II c. II and III d. In leadership and management, there has been a ground shift in power from type A toward Type Z organizations including schools. What is the shift? From centralized control to participative decision II. From top down to bottom up III. From a flatter to a hierarchical organization a.
