

## Chapter 1 : Romantic Love Stories

*From heart-wrenching love stories that might bring a tear to your eye to a romance with a more sinful side to it, these books are perfect to cozy up with and enjoy tonight.*

February 10, Classic Romance Novels Worth Reading Classic love stories of boy and girl meet; boy and girl fall in love, marry and live happily ever after very rarely happen in real life. Where is the turmoil, the heartache, the deceit and the messy breakup? What happened to the unrequited love affairs and the stories of forbidden love and the treacherous feeling that you will never be truly happy? Or, is this really always the case? Some classic narratives explore the darker side of romance; the poisonous side effects that result from giving your heart to another. So, when looking for a new classic romance novel which one should you delve into first? Below, you will find a mixture of happy-ever-afters and heartbreak; stories of true love, adultery, unreciprocated feelings and intimate liaisons. Each of the books listed here were written before and therefore, I have classed them as either a classic or a modern classic. These are the books that, even now, years after they have been written are remembered widely and often quoted from; several have even been converted into Hollywood films so there is clearly something about the storyline. Shakespeare creates a world of violence and generational conflict in which two young people fall in love and die because of that love. The story is rather extraordinary in that the normal problems faced by young lovers are here so very large. Every time a member of one of the two families dies in the fight, his relatives demand the blood of his killer. Because of the feud, if Romeo is discovered with Juliet by her family, he will be killed. Once Romeo is banished, the only way that Juliet can avoid being married to someone else is to take a potion that apparently kills her, so that she is buried with the bodies of her slain relatives. In this violent, death-filled world, the movement of the story from love at first sight to the union of the lovers in death seems almost inevitable. Many novels have been written about the Civil War and its aftermath. None take us into the burning fields and cities of the American South as *Gone With the Wind* does, creating haunting scenes and thrilling portraits of characters so vivid that we remember their words and feel their fear and hunger for the rest of our lives. In the two main characters, the white-shouldered, irresistible Scarlett and the flashy, contemptuous Rhett, Margaret Mitchell not only conveyed a timeless story of survival under the harshest of circumstances, she also created two of the most famous lovers in the English-speaking world since Romeo and Juliet. Darcy and the prejudiced Elizabeth Bennet as they play out their spirited courtship in a series of eighteenth-century drawing-room intrigues. He proceeds to exact a terrible revenge for his former miseries. But Charles is a dull country doctor, and provincial life is very different from the romantic excitement for which she yearns. In her quest to realize her dreams she takes a lover, and begins a devastating spiral into deceit and despair. His artistic nature makes him vulnerable to the brutality and harshness of the Bolsheviks. The poems he writes constitute some of the most beautiful writing in the novel. *Lawrence Women in Love* The novel tells of the relationships of two sisters, Ursula and Gudrun, who live in a Midland colliery town in the years before the First World War. Ursula falls in love with Birkin a thinly disguised portrait of Lawrence himself and Gudrun has an intense but tragic affair with Gerald, the son of a local colliery owner. Benjamin falls haplessly into an affair with Mrs. Unfortunately for Benjamin, Mrs. Robinson plays the role of protective mother as well as she does the one of mistress. A wondrously fierce and absurd battle of wills ensues, with love and idealism triumphing over the forces of corruption and conformity. Obsessed with an irresistible fascination for the enigmatic Sarah, Charles is hurtled by a moment of consummated lust to the brink of the existential void. Generations of readers have been enthralled by his magnificent heroine, the unhappily married Anna Karenina, and her tragic affair with dashing Count Vronsky. The heartbreaking trajectory of their relationship contrasts sharply with the colourful swirl of friends and family members who surround them, especially the newlyweds Kitty and Levin, who forge a touching bond as they struggle to make a life together. *Anna Karenina* is a masterpiece not only because of the unforgettable woman at its core and the stark drama of her fate, but also because it explores and illuminates the deepest questions about how to live a fulfilled life. She takes up the post of governess at Thornfield, falls in love with Mr. It is only when they arrive at his massive country estate that she realizes how large a shadow

his late wife will cast over their lives presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. There the lives of two very different men, Charles Darnay, an exiled French aristocrat, and Sydney Carton, a disreputable but brilliant English lawyer, become enmeshed through their love for Lucie Manette. From the tranquil roads of London, they are drawn against their will to the vengeful, bloodstained streets of Paris at the height of the Reign of Terror, and they soon fall under the lethal shadow of La Guillotine. Upon hearing of the engagement George protests and confesses his true love for Lucy. Lucy is torn between the choice of marrying Cecil, who is a more socially acceptable mate, and George who she knows will bring her true happiness. *A Room With a View* is a tale of classic human struggles such as the choice between social acceptance or true love. Mocked and shunned for his appearance, he is pitied only by Esmerelda, a beautiful gypsy dancer to whom he becomes completely devoted. Esmerelda, however, has also attracted the attention of the sinister archdeacon Claude Frollo, and when she rejects his lecherous approaches, Frollo hatches a plot to destroy her that only Quasimodo can prevent. A chance encounter on a train with a man who enchanted her as a teenager leads to a forbidden love affair and a new world of secret meetings, brief phone calls, and snatched liaisons in anonymous hotel rooms. Years ahead of its time when first published, this subtle and powerful novel shocked even the most stalwart Lehmann fans with its searing honesty and passionate portrayal of clandestine love. With so many great, classic romance novels out there why not take this opportunity to snuggle up on the sofa and enjoy reading about the one thing we all truly crave: What classic romance novels would you add to this list? We would love to hear your recommendations.

### Chapter 2 : Popular Love Story Books

*Twilight, and different books like Ella Enchanted are good, but I don't really think they're all about the love story, and they just don't have that feeling that moves you like Pride and Prejudice, Wuthering Heights, and even A Walk to Remember.*

Wednesday, January 7, , Blame all those rain songs or the larger-than-life movies of Shahrukh Khan or perhaps the magnificent Taj Mahal, which was built by Shah Jahan for his beautiful wife Mumtaz Mahal. Indian novels have a huge following [well, we can thank our own population for it! Moreover, they provide an insight into the lives of people from various parts of India. Top 10 Must-Read Books About Racism Though these 15 novels are quite different from each other, the only thing that combines them is love. Come, find out the 15 best romantic novels written by Indian authors. And let me warn you! The list gives a miss to some of the popular names. The protagonist in this collaboration by Durjoy Dutta and Nikita Singh is left with a similar dilemma. One of the better romantic novels from the duo. It teaches us that love is about sacrifice and hope. It can be easily classified among the best Indian romantic novels. It makes you smile, laugh and even cry. Sagar Sahu has intricately woven a story out of a loveable bunch of characters. It speaks about the challenges life throws at you and how the characters face them in their own uniquely funny ways. It is laced with hilarious puns and a large helping of sarcasm. One of the best Indian romantic novels. It puts light on promises, the ones we break and the ones we keep. It speaks about love, morality, the past demons and the consequences of the protagonists actions. This is one of the best Indian novels in the romance genre. But fate is a crazy little thing and works in mysterious ways. A good addition to the long line of romantic books from India. But it speaks about peer pressure and our modern society. Throw in a love story and you have yet another adorable little love story from India. They are agonisingly loveable and highly enjoyable. Anmol Rana perhaps knows this, as he tells us this cute little love story. A lesser known but nonetheless a very good Indian romantic novel. This book by Chetan Bhagat tells us about problems Indians face during marriages due to their mixed ethnicity. A lovely read on a Sunday afternoon and finds a place on our list for the most romantic novels from India. Though it came out last year, it is one of the better romantic novels from India. It can be easily classified amongst the best Indian romantic novels. I loved a Street woman by Nitin Vinay Khare Quiet a short book if you consider the pages but the journey is enriching and worth a read for the brilliant love story it engulfs. Nithin Vinay Khare has written a story which can be considered among the best Indian romantic novels.

### Chapter 3 : Best Love Stories ( books)

*And writing love stories ran in the Brontë family—Charlotte's sister Emily's classic *Wuthering Heights* is also a strong contender for this list of best romance novels. Buy now 3.*

I really appreciate you and your writings It is so interesting. Thank you for such a good read What fascinates me about your writing is that each of your stories are unique. Even the thought pattern and the characters are distinct and very much natural. Thanks a lot for giving me something beautiful to look forward to every month. The chapter was worth waiting for. I smiled throughout the first pages until the last when I could not be consoled You are really very good I remember her exact words were: I was eager to get to the end and at the same time I dreaded the fact that this novel that captured my heart, mind, and soul would come to a finale and leave behind it emptiness and an insatiable hunger for more. For three nights, I lived with Abigail and Jake, and walked through this incredible journey of self realization, fear, hurt, love, passion, empathy, and most importantly a reminder of how Good God Is. I cannot begin to relay the emotions that hunted me so vigorously, smiling at times and crying at others, all of which while nourishing my heart and increasing my faith in the Lord. It has renewed my faith in the Lord and how mysterious his Ways are. At many times in my life, fear and doubt presided within me, leaving so little to hope. But it is through the Lord that we find strength once more to ask of him to guide us into the light and unto a rock that is higher than where we are. May God bless you, and always give you the strength to empower and inspire others. I thank God for you and for your talent and most of all for your faith, without which this would not be possible. The first 50 chapters of *Greatest* were written between and April It was placed on hold to finish *Abigail*, then resumed on August , beginning at chapter *Love is the greatest of all* Middle-aged Adam Clark is a confirmed bachelor, settled in his ways with no hope of ever changing. But this unassuming Master Plumber has a big secret that not even Charlie can anticipate, and when it comes to light, no one in their small town will ever be the same again.

### Chapter 4 : Romance eBooks - Download & Read Free Romance Books

*Online shopping for Love Stories for Every Romantic Mood from a great selection at Books Store.*

Read on for her recommendations. I have a confession: I appreciate the more sinful side of everything: Tumblr, Twitter, movies, friends. For me, a big dose of sexual tension and some gorgeously dirty words up the ante of a love story. Dirty by Megan Hart – A rich, dominant business man and an unassuming, submissive woman! Sound familiar? Not the way Megan Hart writes it, believe me. This is vulgar, intelligent prose and a heart-wrenching romance all wrapped up in one. This story is brusque and real and explores some of the darker sides of sexual fantasy, so proceed with caution. Deep Desires by Charlotte Stein – A tale of two damaged undesirables who want everything from each other, first from a distance, and then from much closer. This novella is full of heartache and lust. Truly raw and lovely. Crooked Hearts by Patricia Gaffney – For those of you not into the erotic, this historical romance is sinful in a different way. I read it for the first time many years ago and it blew my mind. The hero and heroine are both con artists. A broken down society, a sweet, sudden attraction, and my favorite treat of all: Theory of Attraction by Delphine Dryden – A funny, nerdy erotica. Yes, I said nerdy erotica. The heroine is a computer programmer and the hero is an astrophysicist with no social skills. Kink mixed with Minecraft jokes. I loved the complexities the characters navigate to find their happy ending. Natural Law by Joey W. Hill – I heard talk of this book for many years before I actually read it. The reader gets to be the voyeur in this delicious exploration of his heart and body.

### Chapter 5 : 25 Top Classic Romance Novels Worth Reading

*Books shelved as love-story: The Fault in Our Stars by John Green, The Notebook by Nicholas Sparks, Twilight by Stephenie Meyer, The Time Traveler's Wife.*

### Chapter 6 : Free Romance Books & eBooks - Download PDF, ePub, Kindle

*Some of the best love story novels by Indian authors are major mush works. But there is something about love stories that entices us, it is perhaps the lovey-dovey words or the sweet charm or the characters or the plot. In recent times, Indian literary scene has seen its own share of some amazing.*
