

Chapter 1 : Ronald Reagan - Wikipedia

Romeo had his Juliet, Antony had his Cleopatra. Prince Edward had his Wallis, and Ronald Reagan had his beloved Nancy. Charlton Heston once said theirs was "probably the greatest love affair in the history of the American Presidency."

Pitney Variety Store until finally settling in Dixon. A strong believer in the power of prayer, she led prayer meetings at church and was in charge of mid-week prayers when the pastor was out of town. He recalled the time in Dixon when the proprietor of a local inn would not allow black people to stay there, and he brought them back to his house. His mother invited them to stay overnight and have breakfast the next morning. Over a six-year period, Reagan reportedly performed 77 rescues as a lifeguard. While involved, the Miller Center of Public Affairs described him as an "indifferent student". He majored in economics and sociology and graduated with a C grade. He was a member of the football team and captain of the swim team. He was elected student body president and led a student revolt against the college president after the president tried to cut back the faculty. Ronald Reagan filmography Radio and film After graduating from Eureka in , Reagan drove to Iowa, where he held jobs as a radio announcer at several stations. His specialty was creating play-by-play accounts of games using as his source only basic descriptions that the station received by wire as the games were in progress. Army at San Francisco two months after its release, and never regained "star" status in motion pictures. Due to his poor eyesight, he was classified for limited service only, which excluded him from serving overseas. Reagan stands behind, far left of the photograph Reagan was first elected to the Board of Directors of the Screen Actors Guild SAG in , serving as an alternate member. After World War II, he resumed service and became third vice-president in . In his final work as a professional actor, Reagan was a host and performer from to on the television series *Death Valley Days*. Matron of honor Brenda Marshall and best man William Holden were the sole guests Reagan met actress Nancy Davis [53] [54] in after she contacted him in his capacity as president of the Screen Actors Guild. He helped her with issues regarding her name appearing on a Communist blacklist in Hollywood. She had been mistaken for another Nancy Davis. They had two children: They never stopped courting. We were very much in love and still are. Roosevelt was "a true hero" to him. He fought against Republican-sponsored right-to-work legislation and supported Helen Gahagan Douglas in when she was defeated for the Senate by Richard Nixon. It was his realization that Communists were a powerful backstage influence in those groups that led him to rally his friends against them. In December , he was stopped from leading an anti-nuclear rally in Hollywood by pressure from the Warner Bros. He would later make nuclear weapons a key point of his presidency when he specifically stated his opposition to mutual assured destruction. Reagan also built on previous efforts to limit the spread of nuclear weapons. Truman and appeared on stage with him during a campaign speech in Los Angeles. Eisenhower and Richard Nixon He also traveled across the country to give motivational speeches to over , GE employees. His many speeches which he wrote himself were non-partisan but carried a conservative, pro-business message; he was influenced by Lemuel Boulware , a senior GE executive. Boulware, known for his tough stance against unions and his innovative strategies to win over workers, championed the core tenets of modern American conservatism: The party left me. Reagan said that if his listeners did not write letters to prevent it, "we will awake to find that we have socialism. He consolidated themes that he had developed in his talks for GE to deliver his famous speech, " A Time for Choosing ": And they knew when a government sets out to do that, it must use force and coercion to achieve its purpose. So we have come to a time for choosing You and I are told we must choose between a left or right, but I suggest there is no such thing as a left or right. There is only an up or down.

Chapter 2 : Nancy Reagan's Life & Times | The Ronald Reagan Presidential Foundation & Institute

Nancy Davis Reagan (born Anne Frances Robbins; July 6, - March 6,) was an American film actress and the wife of Ronald Reagan, the 40th President of the United States. She was the First Lady of the United States from to

The Crippler featured a sinister figure spreading over playgrounds and farms, laughing over its victims, until finally dispelled by the volunteer. It was very effective in raising contributions. MGM in ; [2] she later remarked, "Joining Metro was like walking into a dream world. Coe , said Davis "is splendid as the understanding widow. They never stopped courting. My life would be over. We were very much in love and still are. She frequently quarreled with her children and her stepchildren. Her relationship with Patti was the most contentious; Patti flouted American conservatism , rebelled against her parents by joining the nuclear freeze movement, and authored many anti-Reagan books. Michael responded that Nancy was trying to cover up for the fact she had not met his daughter, Ashley, who had been born nearly a year earlier. Nancy was thought to be closest to her stepdaughter Maureen during the White House years, but each of the Reagan children experienced periods of estrangement from their parents. She disliked living in the state capital of Sacramento , which lacked the excitement, social life, and mild climate to which she was accustomed in Los Angeles. Reagan defended her actions as being for the good of her family, a judgment with which her husband readily agreed. She became involved with the Foster Grandparents Program , [62] helping to popularize it in the United States and Australia. Ronald still needed to convince a reluctant Nancy before running, however. They both spoke out over the course of the campaign on similar issues, but with different approaches. During this second campaign, Nancy played a very prominent role, and her management of staff became more apparent. After the Reagan camp lost the Iowa Caucus and fell behind in New Hampshire polls, Nancy organized a second meeting and decided it was time to fire Sears and his associates; she gave Sears a copy of the press release announcing his dismissal. As Reagan read his inaugural address, 52 U. In , she revealed that she had accepted thousands of dollars in clothing, jewelry, and other gifts, but defended her actions by stating that she had borrowed the clothes, and that they would either be returned or donated to museums, [84] [88] and that she was promoting the American fashion industry. Knapp Foundation , the purchase generated quite a controversy, for it was ordered at a time when the nation was undergoing an economic recession. Nancy and Jackie were often compared due to their glamour. The new china, White House renovations, expensive clothing, and her attendance at the wedding of Charles and Diana , Prince and Princess of Wales, [99] gave her an aura of being "out of touch" with the American people during the recession. Just have a good time and do a little business. I never wanted to be on the wrong side of her. Nancy was in charge of planning and hosting the important and highly anticipated state dinner, with the goal to impress both the Soviet leader and especially his wife Raisa Gorbacheva. Shultz later commented on the evening, saying "We felt the ice of the Cold War crumbling. Just Say No The First Lady launched the "Just Say No" drug awareness campaign in , which was her primary project and major initiative as first lady. She also appeared on television talk shows, recorded public service announcements, and wrote guest articles. Nancy was alerted and arrived at George Washington University Hospital , where the President was hospitalized. She recalled having seen "emergency rooms before, but I had never seen one like this â€” with my husband in it. Reagan watches as her husband is sworn in for a second term by Chief Justice Warren Burger , on January 20, Virtually every major move and decision the Reagans made during my time as White House Chief of Staff was cleared in advance with a woman in San Francisco [Quigley] who drew up horoscopes to make certain that the planets were in a favorable alignment for the enterprise. This escalated with the revelation of the Iranâ€”Contra affair , an administration scandal, in which the First Lady felt Regan was damaging the president. Regan wanted President Reagan to address the Iran-Contra matter in early by means of a press conference, though Reagan refused to allow her husband to overexert himself due to a recent prostate surgery and astrological warnings. Bush is also reported to have suggested to Reagan to have Regan fired. Was astrology one of the reasons [further attempts did not occur]?

Chapter 3 : Ronald Reagan and Nancy Davis marry - HISTORY

Nancy Reagan, who died in her Los Angeles home on Sunday at the age of 94, was loyal to her husband President Ronald Reagan throughout their 52 years of marriage. The former first lady, whose.

See Article History Alternative Titles: Early life and acting career Christened Anne Frances, she was quickly nicknamed Nancy by her mother and used that name throughout her life. Her father, Kenneth Robbins, a salesman, and her mother, Edith Lueckert Robbins, an actress, separated when Nancy was very young. Nancy saw little of her mother over the next five years and had no contact with her father; her parents divorced in 1927, when her mother married Loyal Davis, a wealthy Chicago neurosurgeon, Nancy went to live with the couple. Davis eventually adopted her, and she assumed his last name. After graduation in 1935 and a brief stint working at a department store in Chicago, she turned to acting. By 1937 she was working in Hollywood, and she eventually made 11 movies, including *East Side, West Side*, *Shadow on the Wall*, and *Hellcats of the Navy*, in which she starred with Ronald Reagan. Marriage to Ronald Reagan and turn to politics Nancy had met Ronald almost as soon as she arrived in California. He had just divorced Jane Wyman, also an actress, and showed no eagerness to enter quickly into another marriage. After a lengthy courtship, Nancy and Ronald were married on March 4, 1952; Nancy later said that her life began with her marriage to Ronald. Although a Democrat at the time, he supported the presidential candidacies of Dwight D. Eisenhower in 1952 and Richard Nixon in 1960. After switching his party affiliation to Republican in 1964, he became cochair of California Republicans for Barry Goldwater in 1964. Ronald launched his political career in 1966, winning election as governor of California by defeating incumbent governor Edmund G. Brown Jr. She was criticized for her circle of wealthy, glamorous friends and her expensive, stylish clothing. Intensely protective of her husband, she also ran into conflict with journalists who wrote negatively about him and with staff members who, she felt, overscheduled him. Although she did not voice her opinions publicly and occasionally attempted to play down her influence, her husband and his staff took her seriously. When Ronald won the presidency in 1969, it was generally agreed that Nancy was one of his most trusted advisers. First lady Unlike Rosalynn Carter, her predecessor as first lady, Nancy often said that she admired the style and elegance of Jacqueline Kennedy, and she hired Letitia Baldrige, a Kennedy staff member, to assist her at the White House. Designer dresses and costly caviar replaced the more modest attire and fare of the Carters, and the guest list included many Hollywood celebrities. A tour of the White House with Nancy Reagan. She often said that the assassination attempt on Ronald in March 1975 unnerved her, and she resented criticism that she was extravagant. Her association with the Foster Grandparents Program brought her little credit, since many Americans had trouble connecting her glamorous image with volunteer work by the elderly. The Ronald Reagan Presidential Library and Museum Despite her protests, the view persisted that Nancy influenced her husband in personnel matters and on important issues such as arms control and relations with the Soviet Union. While Ronald convalesced after major surgery in 1977, The New York Times concluded that a triumvirate was in charge at the White House: After her husband was diagnosed with Alzheimer disease in 1984, she devoted all her time to caring for him and made very few political appearances. In 1987 she published *I Love You, Ronnie*: In 1988 the Reagans were jointly awarded a Congressional Gold Medal. Following his death in 1989, she became an advocate for stem cell research because of its scientific promise in the treatment of Alzheimer disease. From left to right Laura Bush, U. Bush, and Nancy Reagan at the Ronald W.
