

## Chapter 1 : Big Second Grade Workbook Gives Kids the Tools to do Great in School | School Zone

*Days of Math for Second Grade - 2nd Grade Problem Solving Workbook for Ages , Children's Math Workbook for Grade 2 ( Days of Practice).*

An Adventure With Vermicomposting by: Michelle Eva Portman - Flower Press, 42 pages. Accompanied by adorable illustrations, Compost, by Gosh! Kids who like science and nature. Find Compost by Gosh! This early reader is full of fun facts about emperor penguins – their lifecycle, habitat, predators and even what they like to do for fun. With easy-to-understand explanations and plenty of illustrations, Emperor Penguins is a great choice for young animal lovers. Kids who like animals. Find Emperor Penguins at your local library. Parents need to know that this book is both too delicate, and possibly too scary on one page the jaws of a T-rex come out at the reader for young kids. Also, though thoroughly researched, some of the information presented, both verbally and pictorially, is controversial, though the author is usually careful to indicate this. Families who read this book could discuss the science behind it, the sleuthing and inferences made by paleontologists. How did they figure out what the dinosaurs looked like and ate? What has caused their ideas to change? Families can also do further research together on the types of dinosaurs presented, or find out about other species. Dinosaurs at your local library. Ellie Bethel, illustrated by: Alexandra Colombo - Worthwhile Books, 28 pages. Written to celebrate Earth Day April 22 , Michael Recycle recounts the adventures of a young superhero whose powers allow him to teach people about recycling. Find Michael Recycle at your local library. A First Look at the Natural World by: Lizann Flatt - Owlkids Books, 48 pages. Large labeled ovals with the animals superimposed on them act as guides, so children can scan the scenes to find where the sea stars are hiding in the coral reef or the sidewinder in the desert. Children will be enchanted by the lush illustrations. Why Do Leaves Change Color? Betsy Maestro, illustrated by: Loretta Krupinski - HarperTrophy, 32 pages. Autumn brings colder temperatures, and with it magnificent fall foliage. But why do leaves change colors? Catherine Ripley, illustrated by: Scot Ritchie - Maple Tree Press, pages. This book is an excellent resource for any classroom, school or home library! Colorful illustrations accompany the fun and informative text.

## Chapter 2 : Science and nature books for 2nd graders | GreatSchools
