Spitzalod Grimoire Series Magic of Spitzalod - Ancient Magic Revealed! New Full Color Printed Editions With Additional Channelled Sigils From Spitzalod Directly! The book serves as a physical connection and talisman to Spitzalod himself!

Only Guild books offer this type of Initiation. As with all ancient grimoires it is critical to start with the best original copy available, as usual these are the French editions that have been changed and altered the least. Secondly, it is critical to have a translator that knows what the words mean beyond the crude word itself. To know the hidden occult meaning, hear the voice of the creator and manifest that into modern understanding. There are a lot of translations floating around the occult world, mostly taken from the original IGOS translations of 30 years ago. Sadly these have been added to, changed and terribly altered by uneducated ego driven occultists. Some were changed deliberately to mislead positive occultists. Only IGOS the professional Guild that it is, offers only quality unaltered grimoires and magical texts. Do not trust other translations offered by poorly trained occultists. Grimorium Verum is the classic text attributed King Solomon that actually originated several thousand years ago. This edition is dated But, goes back to ancients times. The grimoire is filled with authentic ancient magical practices and sigils of numerous spirits and their uses. Included are the original illustrations from the text and the original French edition from the same year. This is critical for safe proper use. Spirits for many purposes are detailed with their Sigils for evoking. Positive and negative spirits are detailed with their exact purposes. Including, finding hidden treasure, wealth, knowing who is loyal, weather control, power over women, cause earthquakes, make others dance, learn to teleport, see spirits, cause others to appear, manifest books of powers, resurrect the dead, open locks, cause illness, invisibility, cause sleep, learn the art of healing, power for making occult formulas, contact familiar spirits, wish granting, power over water, gift of writing, knowledge to defeat enemies, power to cause fires, control sleep, command love, brings women to you, win at gambling, power to break up relationships, and many more.. Here is my gift to you--a secret book of wondrous power and spells of enchantment. Here are the elements of earth, water, fire, air, and spirit--and the magickal symbols of the circle, sword, wand, disc and cup. Here are the secret formulae for calling the spirits, ensnaring your lover, attracting good fortune and predicting what will come to pass. Jason Augustus Newcomb Language: Study and practice that teaches the science of illumination and the ability to alter reality. The ancient Egyptian form of Hermetic philosophy was that the mind shapes reality. The New Hermetics extends that philosophy - the universe is a great mind or consciousness, and we are a part of that consciousness; therefore by learning to control the mind, we learn to control our part of the universe. Practicing these elements simultaneously makes it possible to undergo initiation into the mysteries of consciousness in a fraction of the time it was ever before possible. The course offered in the book lets practitioners master their minds in such a way that they will be able to achieve anything and everything they want in life, spiritually and physically. The New Hermetics offers 10 levels of instruction to control the mind and control reality: Level 1-The Initiate teaches mastery over behavior and visualization in the Ether. Level 2-The Zealot bestows mastery over emotions, breathing, and Etheric energy. Level 3-The Practitioner gives mastery over mind, beliefs, and the ability to project Etheric energy. Level 4-The Philosopher masters creativity, values, and the ability to direct Etheric energy. Level 5-The Adept develops relationship with cosmic consciousness. Level 6-The Advanced Adept offers the power to direct the forces of cosmic consciousness. Level 7-The Perfect Adept gives wisdom and the ability to share these forces with others. Level 8-The Master bestows mastery of cosmic consciousness. Level 9-The Mage gains mastery of universal power. Level The Ultimate Master obtains mastery over the universal self. The New Hermetics is a powerful course of instruction that can help anyone master themselves to rule their world. Find Your eBooks Hereâ€¦.

Chapter 5 : Learning to Summon Spirits - Page 2 - Spirit Keeping & Paranormal Collecting Forum

The New Order of Spitzalod needs to make it known that it is NOT a homosexual sorcery order. It is dedicated to sexual balance. There is an Order of Dragmid, specifically formed for homosexuals that are interested in sexual sorcery.

Of course, this was done all for greed. The Guild has a long list of occult firsts, achievements only the Guild in the entire history of the occult achieved. We have taken numerous occult authors that were unknown or barely known and made them into super stars, basically creating their entire lives. Without the Guild they would be nothing, fading into the darkness of nothingness, just another failure. The Guild was the first gather and translate all the classic grimoires that were very difficult to obtain in general. The Guild was the first to offer all Traditions in one central place so study of several Traditions was easy. The Guild was the first to publish the average occultist that was unable to be published by fancy publishing houses because of lack of having an agent or other things that have nothing to do with actual occult knowledge. One such author needing help was Harry Martin. He contacted the Guild and we found his books to be an interesting unique occult system unknown before. Like with anything published by the Guild, we made no judgments on it. The Guild was about the free exchange of information, we believed that it was up to the individual to find worth in a system or not. At the time the Guild was very free and open, looking for interesting authors and possible leaders of the future. Martin was allowed into the Inner Order for a short period of time. But, could not fulfill his obligations. At the time Martin was only able to publish one or two of his pin printed poor quality books. This is typical of the junk produced by authors of that time. I am not speaking of content or writing quality, but, the actual production value. The Guild was never meant to be an official publishing house. The Guild wanted to offer real hard core occultism from individuals that were not part the system that censored them and made them into vanilla poop. This was before the days of low cost computers and easy word processing. A quality printer could easily cost thousands. Like today, we were interested in the knowledge and the system, not pretty packaging. This was a Guild of working sorcerers doing not worrying about fancy type and pretty looking books. The Guild assisted Martin with publishing all of his books and courses and offering them to the public and Guild members. Sales were minimal but steady. Martin soon ran into personal problems. Martin was in the business of locating missing children, so I was told. Amazingly Martin in the past had placed Ads in occult publications using his real name and photo! Being exposed as the Leader of a bi-sexual cult, his career was ruined. Being in a sensitive field with direct contact with children and being a public occultist does not mix. I never heard of any illegal activities at that time and the books, while sexual in nature, also offered interesting witchcraft practices and does not advocate illegal or perverse acts. It does not advocate directly or indirectly sexual contact with children. It does advocate bi-sexual practices. So what, the occult is filled with much stranger sexual practices, as any Crowley reader will know. Martin was desperate for money. The Guild agreed to buy the rights to his books and courses. Even those the books were not good sellers and the Guild was just starting out with few resources. Martin signed over all the rights to his books and courses to the Guild forever. The Guild was able to keep all the books in print and offered to the public ever since. The Guild owns all rights to the Harry Martin Spitzalod Series, including all images, sigils, use of names, titles and anything else connected to the Spitzalod Tradition. The Guild has not given permission for anyone else to use or publish these books and courses. We will actively pursue all copyright infringements and are actively doing so. Those interested in using Spitzalod material need to contact the Guild for permission. The Guild is happy to work with anyone interested in or using the system. All books and courses will be offered online in eBook formats at low cost for those interested in learning the system. The books and courses will be handled by the New Order of Spitzalod. After purchasing the complete series from Harry Martin the Guild offered the books and courses in hardcovers and spiral bound editions, all hand bound using acid free paper, insuring they will last several hundred years. The Guild was happy to assist Sonny and did so without charge by listing his name and address in all the books and courses. All the Guild wanted was to have all the books and courses purchased through the Guild that owned them. At first Sonny did this and even assisted in word processing the pin printed original texts. He completed the books but never finished the courses, it was too much work!

Especially in a time when computers and printers cost thousands of dollars, not to mention the hours and hours of work required. Martin lost all contact with the Guild. All his old contact information was invalid for years and we had not heard from him in several years. By the way, to further help Martin in the past, we sold all of the custom products he made. Martin wanted the Guild to stop publishing the books we owned and purchased and sell the new books and courses he was going to produce. He was told that this was unfair and not needed, all he needed to do was write additional volumes that could be sold to new and old followers of the system. It appears Martin only caring about himself and his profits, had no interest in helping the Guild that built his Order up and keep it alive for many. He agreed to this on the phone and stated nothing more to us. The books were in print and shipped within the usual 2 week period or less. We never heard from Martin again. Sonny started publishing his own copied Spitzalod books and courses disregarding the Guild all together. He never had the right to do this. No one has the right to use anything without permission from IGOS. A criminal complaint has recently been filed with the FBI. Little did Martin and Sterling know that Spitzalod and the other Gods would take their revenge against this traitorous act. Both faded out of occultism and there is a New Order of Spitzalod now operating and empowered by Spitzalod himself. Details on the order follow. The Guild does have a member that researched the system and was fully initiated by Martin personally, after visiting him in the South where he lived. All other so-called Spitzalod Orders, groups or individuals must submit to the New Order and seek its recognition. The New Order is willing to work with all past groups to assist their coming into the New Order and furthering the Spitzalod Tradition. The website will give complete details on the New Order and how to work with it. The frauds have been struck down and the new leader of the Order of Spitzalod is rising to seize the rightful place for the Gods and Goddesses. Those traitors seeking the wrong path like those already mentioned, will find similar fates. When one channel turn evil and traitors those that have assisted Spitzalod, a new channel of better quality is found. Only those that follow the true way will be empowered by Spitzalod, all others will meet a terrible fate like the traitor Martin. Those that were fooled and misled are welcome to contact the source and follow the true way. The New Order of Spitzalod will guide all the worthy.
