

Chapter 1 : STAR Test Prep Grade 2

Pre-K-8 elementary educational resources for teachers, students, and parents.

This is the Practice Reading Section. Here is a list with pictures to help you locate the stories in the Reading Section and Answer Section. Read each passage, then refer back to it as needed when answering the questions in the Answer Section. He had no family except for an old llama. Each day the boy and his llama walked many miles, looking for a home. Each night they curled up together and slept. But one starry evening, the old llama died. The boy buried his friend next to an icy stream. Then he sat under a tree and cried. What would he do? He had no family and no home. The boy cried for a very long time. But there was no one to comfort him. There were only the stars in the sky. Suddenly, the sky filled with bright light. The boy held his breath. He was afraid to move. One bright star fell to the ground. Slowly, the star took the shape of the old llama. She bent her head and drank from the stream. She looked at the boy and smiled. As she jumped back into the sky, bits of llama wool fell. As the Sun began to rise, the boy picked up the soft, warm wool. It glowed in his hands like starlight. He carried the wool to the city and sold it. With the money, he bought a house. He bought two young llamas. He never forgot the star llama. And he was never lonely again. Now proceed to the Answer Section below. Read the story "Blueberries" and then answer Numbers 7 through 12 in the Answer Section. They grow on bushes. Each blueberry is small and round. Many blueberries can grow on one bush. At first, the blueberries are green. The green berries are not ready to eat yet. They need a lot of sun and rain to help them become fat and sweet. When the berries turn blue, they are ripe and ready to be picked. Some farmers grow blueberries in big fields. The people who live nearby can earn money by helping to pick the blueberries. Each one takes a pail out to the field and fills it with blueberries. They work fast so that they can fill many pails. They want to earn as much money as they can. When they are done picking, their fingers are blue from the juice of the berries! After the blueberries are picked, they are put into boxes and sent to stores. People buy the blueberries and take them home to eat. Some people like to wash the berries and eat them one by one. Other people like to cook with blueberries. They make blueberry muffins and pancakes. No matter how you eat them, blueberries taste great! The questions in this section are based on the stories in your practice Reading Section above. You may go back to the Reading Section to help you answer the questions. Now answer Numbers 1 through 6. Base your answers on the story "The Star Llama. The boy bought two new llamas. The boy and the llama walked many miles looking for a home. The boy collected the wool and sold it in the city. The old llama fell to the ground in the shape of a star. Read this sentence from the story.
