

## Chapter 1 : James Christensen Prints, Porcelains, Ornaments and Puzzles

*The Art of James Hetfield (The Art of Series) [James Hetfield, Arthur Rotfeld] on blog.quintoapp.com \*FREE\* shipping on qualifying offers. (Guitar Educational). This comprehensive overview of Hetfield's techniques features: more than 70 classic Metallica riffs.*

His parents divorced in when Hetfield was They were very strict Christian Scientists , and in accordance with their beliefs, they strongly disapproved of medicine or any other medical treatment and remained loyal to their faith, even as Cynthia was dying from cancer. Cynthia died of cancer in when Hetfield was 16 years old. After the death of his mother, Hetfield went to live with his older half-brother David. Hetfield identifies Aerosmith as having been his main musical influence as a child, [7] and has said they were the reason he wanted to play guitar. Some of the options considered included adding another guitar player, having John Roads play lead guitar, as well as asking John Bush from Armored Saint who later joined Anthrax to sing for the band. The finalized line-up of the band became Hetfield lead vocals and rhythm guitar , Lars Ulrich drums , Dave Mustaine lead guitar , and Ron McGovney bass who was soon replaced by Cliff Burton. Hetfield referred to their early sound as power metal. The term " thrash metal " was first used when Kerrang journalist Malcolm Dome described the Anthrax song " Metal Thrashing Mad " in an issue of Kerrang in February On April 1, , the band recruited lead guitarist Kirk Hammett from the band Exodus , and 10 days later, Hetfield and Ulrich officially fired Mustaine from the band due to his erratic indifference. Until the mids, Hetfield recorded all rhythm tracks and most harmony tracks. He also writes the majority of the guitar harmonies, as well as writing the lyrics, vocal melodies, and co-arranging the songs with Ulrich. Hetfield was the victim of a pyrotechnics accident during the song "Fade to Black", in which a pyrotechnic charge reacted. He suffered second and third-degree burns, but was back on stage 17 days later, although his guitar duties were delegated to former guitar tech and Metal Church guitarist John Marshall for four weeks while he made a full recovery. He did basic warm-up exercises to piano keys with his vocal coach, who also gave him a cassette tape of the piano warm-up for future use. Hetfield talks about his vocal training endeavors in the Metallica documentary film, Some Kind of Monster produced and directed by Joe Berlinger and Bruce Sinofsky. Anger in , Hetfield went into rehab to address his alcohol usage. He rejoined the band after seven months in rehab and four months recovering with his family. He is now clean and sober, and is determined to remain so, all of which is featured in Some Kind of Monster. Anger album, and documents the various conflicts and issues the band were facing at the time including the departure of Jason Newsted , alcoholism, family commitments, and the future of the band with many in the rock press questioning whether the band would even still be together to see the completion of the St. Hetfield and Metallica addressed their need for a new bassist by recruiting Robert Trujillo , who formerly served under the wing of Ozzy Osbourne. The new line-up has continued to make music and tour worldwide. Hetfield and the rest of Metallica, including Newsted, performed " Master of Puppets " and " Enter Sandman " to end the ceremony. In a interview with So What! Hetfield performing live with Metallica at San Antonio , Texas in Hetfield has a number of tattoos, including one which shows flames encasing four playing cards " ace 1 , 9, 6, and 3 " representing the year of his birth, and the words " Carpe Diem " "seize the day". The flames on the tattoo are in reference to the pyrotechnic accident which he suffered in during a concert in Montreal. He also has some Christian tattoos, including crosses and one of Jesus on his right arm. He has a tattoo of two razors forming the straight edge X symbol on his left wrist. When Hetfield was asked for his thoughts on climate change, he responded by saying: I really believe that humans will survive. Please help by adding reliable sources.
