

Chapter 1 : Easter Bunny Coloring Pages - Free and Printable

The Easter Bunny is busy painting eggs for Easter. They're white when he starts. What colors does he use to make the eggs colorful? Pull the tabs to find out!

Mar 31, at 9: Of course Easter is the holiest holiday – it marks the resurrection of Christ. You do not have to be a devout Catholic to know that part. The question is – where did this magical bunny come from that delivers baskets of colorful, delicious goodies to children around the world every morning? Easter celebrates the resurrection of Christ from the dead. The resurrection occurred on the third day of his burial after his crucifixion by the Romans. The following is a summary of the resurrection of Christ, as published on christianbiblereference. There was no time to properly prepare the body for burial with spices and ointments according to Jewish customs. No work could be done on the Sabbath, so that task had to wait until Sunday. Early Sunday morning, Mary Magdalene and several other women went to the tomb with the spices they had prepared. When they arrived, they found the tomb had been opened already. Suddenly, two angels in dazzling white clothes were there. He is not here; He has risen! Remember how He told you that He would be turned over to sinful men, be crucified, and rise again on the third day! The Bible fails to mention a magical bunny who delivers decorated eggs to well-behaved children on Easter Sunday. Where did the myth of the Easter Bunny originate? No one knows for sure. This strange yet charming custom soon spread across the country, and the magical Easter Bunny was soon making morning deliveries of baskets filled with brightly colored eggs, chocolate and other treats. In exchange, children began leaving out carrots for the Easter Bunny to snack on. After all, the bunny must have been tired from traveling. Rabbits, bunnies and hares are frequent images in Biblical art, as are lambs and certain birds. Rabbits are also prolific breeders, especially in the spring when they are most commonly seen interacting with one another. As a result of their fertility, rabbits have long been associated with spring and with new life. Even the Greeks pointed out this connection. However, the Christian tradition of the Easter Bunny has distinctly Christian origins. The ancient Greeks thought rabbits could reproduce as virgins. Such a belief persisted until early medieval times when the rabbit became associated with the Virgin Mary, who we know became pregnant without knowing man. During the medieval period, rabbits began appearing in illuminated manuscripts and paintings where the Virgin Mary was depicted, serving as an allegorical illustration of her virginity. The Easter Bunny was first popularized as a symbol of the season by the German Protestants. It is likely they were the ones to invent the myth of the Easter Bunny for their children. By the s, the pagan and folk aspects of Easter as a celebration of spring were fully established and commercially exploited in America. New clothes, parades, candy, and egg hunts have become key cultural expressions, even though the number of people celebrating the religious significance of the holiday declined in the last half of the twentieth century. In the end, the Easter bunny has nothing to do with Jesus directly. There is nothing in the Bible or Christian tradition that links the two together. What qualities does the Easter Bunny have? Does he have any in common with Christ? The Easter Bunny is sympathetic and comforting, he exhibits honorable behavior, he shows friendship, he demonstrates loyalty, he has compassion, he is benevolent, he is courteous, and he is hospitable. These are all qualities of Christ that anyone, not just a Christian person, tends to follow. Bringing comfort to those in need. It may be a bit of a stretch, but what could be a better example than the Easter Bunny? He brings joy and comfort to children. He delights them with treats, and he demands nothing in turn. Yes, the Easter Bunny you meet at the mall may not be much more than a man or woman in a suit, but it is not too much of a stretch to suggest that the Easter Bunny has many of the good qualities honored by Christians, and people of all religions. Be nice to people. Christ-like or not, or devoid of religion altogether, the Easter Bunny embodies love, kindness and generosity. Published Mar 30, at 1:

Chapter 3 : Cartoon Bunny Images, Stock Photos & Vectors | Shutterstock

The origin of the beloved Easter Bunny, who comes at night and leaves behind a colorful basket full of treats to delight children Easter Sunday morning. the Christian holy-day has become more.

March 31, iStock Whether you attend a church service, decorate eggs, or devour Peeps, no Easter celebration is complete without a visit from the Easter Bunny. Check out these 10 things you may not know about the Easter Bunny, from its contested origins to its surprising iterations around the world. According to Bede , a prolific 8th-century English monk, the Anglo-Saxon month Eosturmonath broadly the Easter season "was once called after a goddess of theirs named Eostre, in whose honor feasts were celebrated in that month. Now they designate that Paschal season by her name, calling the joys of the new rite by the time-honored name of the old observance. In his book *Deutsche Mythologie*, Jacob Grimm of the Brothers Grimm speculated that Eostre was connected to a German goddess named Ostara whose existence, again, is controversial. Almost 40 years later, Adolf Holtzmann wrote that "The Easter Hare is unintelligible to me, but probably the hare was the sacred animal of Ostara," and a contemporary named K. Oberle hypothesized that "the hare which lay the parti-coloured Easter eggs was sacred to [Ostara]. According to the myth, the goddess was entertaining a group of kids one day. To make them laugh, she transformed her pet bird into a rabbit, giving it the ability to lay colored eggs. Eostre then gave the eggs to the children. A similar myth portrays a more malevolent Eostre, who turned her pet bird into a rabbit or hare because she was enraged. An alternate hypothesis is that Oberle or perhaps Holtzmann made the decision that because the rabbit lays eggs it must have at some point transformed from a bird , making this story an entirely late century invention. They taught their children about the Oschter Haws or Osterhase , a hare from German folklore that gave colorful eggs to well-behaved children on Easter. Over time, the Oschter Haws character gained popularity and was Americanized, morphing into the Easter Bunny. Because rabbits and hares were so fertile, Ancient Greeks and early medieval Christians thought that the animals could reproduce without having sex. Consequently, artwork and manuscripts often depict the Virgin Mary with rabbit iconography, alluding to the view that both the Virgin Mary and rabbits were able to have virgin births. Also called rabbit-bandicoots, bilbies are Australian marsupials with long, rabbit-like ears. Things began looking grim for bilbies two centuries ago, when new predators and diseases were introduced into their habitat. Then, European rabbitsâ€™an invasive species whose population really took off when a few were released more than years ago so they could be huntedâ€™ drove them out of their natural habitat until only a few thousand of the animals remained. A book called *Billy The Aussie Easter Bilby* popularized the concept of the Easter Bilby, and the establishment of the Foundation for Rabbit-Free Australia educated Australians about the ecological harm that rabbits wreak. Today, you can find chocolate bilbies in Australia around Easter time, and some chocolate companies even donate a portion of their proceeds to organizations that save the animals. Two women feed candy to fish while dressed as Easter witches at the Aquaria Vattenmuseum in Stockholm, Sweden in In most of France, children believe that flying church bells travel to the Vatican and bring back chocolate treats in time for Easter Sunday. In Sweden, kids dress up as wizards and witches rather than bunnies. And in Switzerland, the Easter Cuckoo bird is a symbol of the spring holiday. Sponsored by Autism Speaks, the event took place in malls across the U. The Easter Bunny drops eggs on the field in between innings of a Cincinnati Reds game. Singers, actors, and sports stars such as Mariah Carey, Madonna, David Beckham, Miley Cyrus, Snoop Dogg, and Kanye West have all shared photos of themselves wearing Easter Bunny costumes, which range from a simple set of bunny ears to a full-body white, fluffy suit. Bush was president, then-assistant U. In March , Spicer poked fun at his old role, retweeting a photo of himself with the comment: Joe Raedle, Getty Images Halloween and Easter are the two big holidays for candy sales, with Easter sometimes coming out on top at least in dollar sales. A version of this story originally ran in

Chapter 4 : Easter Colors | Celebrating Holidays

Easter Bunny - Easter Day is celebrated as the first day of Easter blog.quintoapp.com is the oldest and extremely important festival of western Christian year celebrating Jesus Christ rising from the grave.

If so, you can learn the Christian history, meaning and symbolism of Easter colors here! Purple The Color of Lent The color most commonly associated with the Easter season or more specifically the season of Lent that precedes Easter Day is purple. It is the color found in church sanctuaries throughout the world during the season. Interestingly purple was one of three colors of yarn blue, purple and scarlet used in abundance throughout the Jewish temple and in the clothing of Jewish priests Exodus and Quite possibly these colors are significant in their meaning. In ancient times, purple was considered a precious dye. Because it was so costly to make, it came to be associated with kings and royalty making it especially intriguing that the Roman soldiers placed a purple robe on Christ before his crucifixion: They put a purple robe on him, then twisted together a crown of thorns and set it on him. Falling on their knees, they paid homage to him. And when they had mocked him, they took off the purple robe and put his own clothes on him. The term for purple used in the Gospel of Mark refers to a shade that varies from rose to purple Thomas and Gunry, A Harmony of the Gospels. The Gospel of Matthew uses a term that is translated scarlet Matthew The Apostle John wrote about his vision of Jesus at the end of time as follows: On his robe and on his thigh he has this name written: More costly than any purple robe is the robe dipped in the precious blood of Christ! The changing colors of the sanctuary from the purple of Lent to the black of Good Friday provide graphic visual symbols for the Lenten journey. Interestingly, angels, believers in heaven, and Jesus in his glory are all characterized as wearing white. Of the transfiguration of Jesus, the Gospel of Mark records: Throughout the history of the church, baptisms traditionally took place on Easter Sunday with candidates wearing white as a symbol of their new life in Christ. Pastels The Colors of Spring Easter decorations are generally found in a variety of pastel colors â€” a celebration of the season when new life appears all over the earth and flowers bloom in a stunning array of color. Chapter 5 : Color the Easter Bunny Online

Easter bunny coloring pages are fun, but they also help kids develop many important skills. These skills, eye-hand coordination, color concepts, picture comprehension, form the foundation for early learning success.

Visit Website Did you know? The largest Easter egg ever made was over 25 feet high and weighed over 8, pounds. It was built out of chocolate and marshmallow and supported by an internal steel frame. Easter Eggs Easter is a religious holiday, but some of its customs, such as Easter eggs, are likely linked to pagan traditions. The egg, an ancient symbol of new life, has been associated with pagan festivals celebrating spring. Decorating eggs for Easter is a tradition that dates back to at least the 13th century, according to some sources. One explanation for this custom is that eggs were formerly a forbidden food during the Lenten season, so people would paint and decorate them to mark the end of the period of penance and fasting, then eat them on Easter as a celebration. Visit Website Easter egg hunts and egg rolling are two popular egg-related traditions. The first official White House egg roll occurred in 1878, when Rutherford B. Easter Candy Easter is the second best-selling candy holiday in America, after Halloween. Among the most popular sweet treats associated with this day are chocolate eggs, which date back to early 19th century Europe. According to the National Confectioners Association, over 16 billion jelly beans are made in the U. For the past decade, the top-selling non-chocolate Easter candy has been the marshmallow Peep, a sugary, pastel-colored confection. Bethlehem, Pennsylvania-based candy manufacturer Just Born founded by Russian immigrant Sam Born in began selling Peeps in the 1950s. The original Peeps were handmade, marshmallow-flavored yellow chicks, but other shapes and flavors were later introduced, including chocolate mousse bunnies. Easter Parade In New York City, the Easter Parade tradition dates back to the 1800s, when the upper crust of society would attend Easter services at various Fifth Avenue churches then stroll outside afterward, showing off their new spring outfits and hats. Average citizens started showing up along Fifth Avenue to check out the action. The tradition reached its peak by the mid-20th century, and in 1956, the popular film Easter Parade was released, starring Fred Astaire and Judy Garland and featuring the music of Irving Berlin. The title song includes the lyrics: Participants often sport elaborately decorated bonnets and hats. The event has no religious significance, but sources note that Easter processions have been a part of Christianity since its earliest days. Today, other cities across America also have their own parades.

Chapter 6 : Easter Bunny - Wikipedia

Easter Bunny Pictures or Happy Easter Bunnies are tightly attached together with the Happy Easter Sunday Conventions since they are thought to be the Symbol of new life-giving birth to little kittens.
