Herman Melville Writers Several American writers, some of them clergy, visited the Holy Land from during the Egyptian occupation. Stephens was the first American tourist in the true sense, and in published Incidents of Travel in Egypt, Arabia Petraea, and the Holy Land, which went through several printings. Most famous, however, were Herman Melville and Mark Twain. Sarah Dickson and Mary were raped. It took him two decades to publish Clarel: A Poem and Pilgrimage in the Holy Land. Unlike most other 19th-century Holy Land travel literature, Melville saw Palestine as alienated and disjointed. In this letter Melville writes to an admirer: Fearing that you never will get at it by yourself, I have disinterred a copy for you John Steinbeck was pained when he discovered the horror of the ordeal, and in many ways hinted at it in his East of Eden Mark Twain Samuel L. American Publishing Company, Mark Twain Mark Twain "blended and spiced realism in his journalistic writing and literary works with cynical humor and social satire. Civil War General William Sherman was one of the intended passengers, but had to drop out in order to deal with Indian affairs in his position as lieutenant general. Patten Free Library, Bath, Maine. In December, Mark Twain was retained as a special correspondent for the Alta. Early in the following year the Alta agreed to pay for a trip to Europe and Asia. This, was soon changed to Europe and the Holy Land. He was 31 years old at the time. Clemens thought his pictures very bad, however: In this letter Twain wrote to Mr. Esais, a book seller: Put on it this inscription: Jane Clemens - from her son - Mount Calvary, Sept 24, Send it to our camp, near the head of the valley of Hinnom. Printed in for the British and Foreign Bible Society. How touching it was, here in a land of strangers, far away from home, and friends, and all who cared for me, thus to discover the grave of a blood relation The fountain of my filial affection was stirred to its profoundest depths, and I gave way to tumultuous emotion. He also witnessed the same kind of behavior in parts of Europe. Write Dan, if you choose. Strictly, the title described only two of us. The other one is no more. A Journey Around the World.

The Innocents Abroad, or The New Pilgrims' Progress is a travel book by American author Mark Twain published in which humorously chronicles what Twain called his "Great Pleasure Excursion" on board the chartered vessel Quaker City (formerly USS Quaker City) through Europe and the Holy Land with a group of American travelers in

Within a few weeks of his arrival, he embarked on a new enterprise that combined his interest in travel with his work as a roving reporter. The group stayed four hours, and had a "jolly" time, according to Clemens. Ancient stone head, acquired on the Quaker City trip According to a family tradition, Clemens picked up this small "marble from the Parthenon" during a surreptitious night visit to the Acropolis with three companions on 14 August the other Quaker City passengers remained on board, in observance of a quarantine order. The head did service as a family paperweight for many years before coming to the Mark Twain Papers. If the Clemens family provenance can be accepted, the head would be the only fragment of the Parthenon in the United States. There was no consensus of expert opinion, but some doubts were expressed: The Greek government has made no claim on the sculpture. Recognizable portraits of Clemens were included in the illustrations of all of his travel books. When Clemens returned to Europe in for an extended stay he came as a family man, with his wife, Olivia, his daughters, Susy and Clara and their nursemaid , and a family friend, Clara Spaulding. For Clemens this was a working holiday: Here, she lists some Venetian purchases in a small notebook borrowed from her husband his name is inscribed in gold on the matching case. Notebook entries about the Uffizi Gallery Florence, October Clemens made extensive notes about the paintings and sculpture he saw in Rome, Venice, and Florence. He admitted to being more appreciative than he had been in , when his reaction to the Old Masters was a combination of boredom and exasperation. Clemens comes to the conclusion that "in Europe, outside of the house it is heaven, inside of it it is the other thing. Clemens and his family returned to Europe in June for an indefinite stay, motivated by health and money problems. Photograph of Clemens, aged 56 Berlin, The Clemens family settled in Berlin for several months in the winter and spring of Clemens found Berlin a "luminous centre of intelligence. He filled his notebook with irascible comments, which he then developed in more than pages of manuscript, attacking French morality and political and social history. He made no use of the material, apparently realizing that its harsh tone could find no place in his travel book. Clemens persisted in his dislike of the French, later acknowledging that this was his one "race prejudice. The note at the top of the first page of the manuscript is addressed to Frederick A. Duneka of Harper and Brothers. He found the town "enchanting" and the treatments helpful. He remained five weeks, and praised the spa in this article, published in the Chicago Tribune of 8 November He pictures Clemens shouldering a quill pen, on which are skewered figures representing royalty, the clergy, and business. Her husband and daughters, devastated by her death, sailed for New York on 28 June aboard the Prince Oscar, bringing her body back home to be buried in the Langdon family plot in Elmira, New York. Notebook entries about the funeral of Olivia Clemens 13 and 14 July Clemens briefly described the funeral in this tiny Italian diary. Loomis is Vice President of the D. Twichell of Hartford, who married us.
