Interesting and informative facts, about life and true deeds by many outstanding personalities, world mythology of peoples, history of states, religionsâ€¦ Striking information about the secret power of the Grail. The teachings of Imhotep. Unknown information about the life of Jesus. The creation of Templars organisation and many others. Cognition of its secrets helps a human not only to gain experience of existence in this world but to make a step in studying of his own essenceâ€¦ A lot of so-called human diseases, sudden depressive states, suicide attempts, accidents, murders are often a consequence of activities of hidden forces. Once there were people who actively resisted them protecting people on the other side of reality. The scale of Good and Evil is in hands of a human himself. His ezoosmos predetermines everything. All these people are united by a legendary personality of Sensei. Interesting facts about a human from the point of view both: Also many useful information for those who are on the spiritual way and strive to become Humans! Putting together fragments of news in a joint mosaic of the on-going process, one may come to a conclusion: Behind all this disorder and rapid changes there are powers, certain people, who possess the largest share of the world capital and whose names are not public. Who they are, the history of their existence, what are their plans, methods and approaches of manipulating the masses. This information is presented in the books by A. After all they are only able to plan. However, the future now is in hands of every human! Their effectiveness will be also interesting for those, who have been self-improving his phenomenal abilities for long and seriously. And of course, these spiritual practices are a unique source for those, searching their spiritual way. And finally the practices allow to every practitioner to understand his true multi-layer structure, to reach the divine spiritual berry called â€” Soul. All books are available for free download thanks to their author â€” Anastasia Novykh. Also, the layout of the English and Bulgarian digital versions as well the translation of Bulgarian versions are made by Foundation volunteers. Bulgarian versions of all books can be downloaded free from â€” www.

Chapter 2 : Miniature Book | eBay

The Universal Dream Book (Pocket Library) This book is in very good condition and will be shipped within 24 hours of ordering. The cover may have some limited signs of wear but the pages are clean, intact and the spine remains undamaged.

First, read Part I: Next, go through this list with each book that seems promising. Scott, Tender is the Night, New York: Dust jackets, dust jackets, and more dust jackets! If there is one single thing that is a make or break for book value, it would be the dust jacket. The value of a first edition copy of F. Without a dust jacket! If you have one on a good book, treasure it and be sure to protect it with a plastic sleeve. A book is more likely to appeal to collectors, and therefore be worth more, if you have actually heard of the book or its author. Additionally, some books by famous authors are better than others. Where was it published? The location of publication is an often overlooked but important detail in a list of information about a collection of books. Many titles were published virtually simultaneously in two places, for example, London, and New York. Location is very important. To err is Human. And it will make your book more valuable! Thrifty printers will not throw out a batch of sheets simply because there was a mistake on the page. They will correct it and move on. Leave no page behind! Completeness in a book is critical. Even simple pages that have no printing on them, called blanks, are critical to the value of the book. Make certain that there are no loose pages or gatherings of leaves that have come out or are in danger of falling out. Please return to! Look for ownership inscriptions on books. With luck, they will not be on the title-page, as this diminishes value; they should ideally be located on blank pages before the title page. An owner inscription or signature from a member of your own family is always interesting to find, and if he or she was a well-known person, could add to value. An author signature by a significant and recognized writer can mean an increase in value of ten times or more the ordinary value of the book in most cases. For example, as stated above, an unsigned copy of F. Skinner sold a copy that was signed and presented to the famous poet Archibald MacLeish. A beautifully leather bound book or one with a pictorial gold leaf cover can form the basis for a really eye-catching shelf; these antique books are usually quite collectible. Did you find something intriguing on your shelves? Thank you for your interest in Skinner. This post was originally published in September and has been completely revamped and updated for accuracy and comprehensiveness.
