

Chapter 1 : Order of Timothy Zahn Books - blog.quintoapp.com

Book nine in the Cobra series and the conclusion of the Cobra Rebellion trilogy, from #1 New York Times best-selling author Timothy Zahn. About Cobra Traitor: "Zahn fans will enjoy the variety of small-unit combat scenes in the action-packed third and final Cobra Rebellion military SF adventure.

Jun 27, Jesse Whitehead rated it liked it Cobra is a very different book from the one that I thought I was picking up. What I thought was a action packed book about super soldiers fighting aliens turned out to be an examination of humans, politics, and learning to adapt to a whole new kind of human being. Colloquial wisdom would tell us that only those who do not desire it truly deserve to have it. As it so often is, colloquial wisdom is an oversimplification of the facts. The truth is that there are a great number o Cobra is a very different book from the one that I thought I was picking up. The truth is that there are a great number of people myself included who do not desire any kind of authoritative control and who are actually terrible leaders. On the other end of the spectrum there are those who crave power and leadership so fiercely that they will abandon families and stomp on the fingers of their own children to get it and they are truly great leaders. That is because human beings are a spectrum of individuals. We cannot be summed up in trite little statements. So I return to my former question. The people should speak for themselves but when the masses become too massive then nobody can hear over the din. Or at least that the person elected is smart enough, and selfless enough, to act in the best interest of the people who elected him or her. When war breaks out against the Troft " a completely mysterious alien race " Jonny Moreau enlists in the army because he wants to help people gain their freedom. What he is offered is a chance to become a Cobra, an elite guerrilla fighter with augmented strength and a superior array of weaponry built directly into his body making him a deadly super weapon. He quickly accepts a call to settle a distant planet and that is where his adventure starts. Aventine is a world beyond the fringes of human space. Jonny and hundreds of other Cobras settle there with thousands of other settlers. The Cobras are needed to keep the vicious native predators at bay while the settlers get crops planted and try to start their civilization. Then some of the Cobras decide they know how to do things better than the local government" and they have the means to stage a coup that no normal person could stand up against. When it turns out that many of the settlers agree that the Cobras " being faster and stronger " deserve to have a stronger say in matters then the dynamics of the world suddenly change. Jonny is faced with trying to keep a balance among his peers and fellow civilians but also in his own mind. Timothy Zahn is one of my favorite authors because of things like this. He tells a compelling story, with great action and gripping story while making me think. This is one of his earlier novels so there are a few clunky spots and the characters are pretty mundane but this is an idea story, not a character story. And this idea completely turned me on my head. What looked like another military science fiction adventure turned out to be a deeply told story of a man trying to do his best for the people around him. And that is what I think makes a great leader. It matters if he or she loves the people being governed. Timothy Zahn is one of my favorite authors and I would recommend picking up just about anything he has written and start reading. You will not regret it.

Chapter 2 : Timothy Zahn - Wikipedia

Cobra Traitor Timothy Zahn View Series CONCLUSION TO THE COBRA REBELLION TRILOGY Cobras: technologically enhanced warriors bred to fight an alien menace no ordinary human can withstand.

He was born on September 1, in Chicago, Illinois, U. Zahn is particularly known for writing the Thrawn series of novels under the Star Wars series. In addition to this series, he has also published a number of other novels and short fiction stories. The writing career of Timothy Zahn has been a successful one as he went on to win several prestigious awards like the Hugo Award in the year for his novella Cascade Point. The Thrawn trilogy proved to be a turning point for both Zahn and the Star Wars franchise. It brought widespread appreciations from all over the world and as a result, all the three novels of the series successfully made it to the bestseller lists in the New York Times. Zahn earned his Bachelor of Science degree in the physics subject from the Michigan State University in the year After that, he moved to Illinois. Zahn had begun writing science fiction stories in the year as a hobby, but soon realized his keen interest in writing novels. As a result, he went on to become a professional writer after finishing his studies. Zahn has described the day when he received his first offer from his agent. The phone bell rang and it was his agent Tim on the other end. He informed him about an interesting offer which changed his life and career completely. The novel is based on the science fiction and fantasy genres and is in the fictional world of space galaxies. The novel opens up with the introduction of the Return of Jedi, which is the Rebel Alliance. It has been over five years after the destruction of the Death Star by the Rebel Alliance. Along with that, it had also defeated the Emperor of Old Imperial Starfleet and Darth Vader and had also driven the remnants out of the Imperial Starfleet to a faraway corner of the galaxy. Also, Luke Skywalker is depicted as becoming the first Jedi Knight of Jedi, a post which had a long awaited line of contenders. Some thousand light years away, the last warlord of the emperor took the command over the destroyed Imperial Fleet. He has made it ready to enter into a war against the new Republic. For fulfilling his ambitions, the dark warrior has been able to make a couple of discoveries. The discoveries posed a great threat to everything that the brave people of the Rebel Alliance had built by fighting hard. They feared that the discoveries of the dark warrior might destroy everything they had made over the years of struggle. The novel shows the descriptions of explosive confrontations, mystery, invention and epic action sequences. The readers found the novel to be extremely interesting and worthy of being called a part of the Star Wars franchise. It was published in the year by the Spectra publishing house and consists of the same characters from the first novel as the main characters. The plot of the novel is set in the same fictional world of the Imperial Fleet and continues from where the first novel had ended. The novel introduces the Grand Admiral Thrawn as the most ruthless and cunning warlord. He has taken control of the dying empire of the Imperial Fleet. He has full command over the remnants of the Fleet and has plans of launching a huge campaign in order to destroy the New Republic. At the same time, Han Solo and Lando Calrissian work hard to find sufficient proof in order to prove the treason inside the Republican Council. Instead, they come across a fleet of ghostly warships made ready to go to war by the Admiral Thrawn. The warships seemed to be a beneficial to the enemies. It could even bring doom to the remnants of the Fleet. An even more dangerous problem looms over the Fleet with the rise of the new Dark Jedi. He has risen from the remains of a shrouded past and survived by bitterness. The Dark Jedi tries to corrupt Like Skywalker and bring him on his side in order to strengthen himself against all the others. The novel became an instant success among the readers. It proved to be a good enter into the Star Wars franchise. Many readers and critics recommended the novel because of its unique description of the characters and the plot. Author Timothy Carson received a lot of praise from the critics as well as his fellow authors. This motivated him to write many more novels in the fantasy and science fiction genre. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there?
