Plot summary[edit] Bella Swan is a seventeen-year-old outcast, who moves from Phoenix, Arizona to Forks, Washington on the Olympic Peninsula to live with her father, Charlie. Bella is admitted to Forks High School, where she befriends many of the students. A somewhat inexperienced and shy girl, Bella is dismayed by several boys competing for her attention. As Bella walks into the class, a fan blows her scent towards a mysterious man named Edward Cullen. Bella sits next to Edward in biology class on her first day of school, but he seems repulsed by her, affecting her feelings in the process. Edward saves Bella, stopping the van with only his hand. Bella questions Edward about how he saved her life. She hears that Edward and his family are actually vampires who drink animal blood. She is told legends of the local Quileute people by a friend named Jacob Black, who she met during a camp out. Disturbed and riddled by recurring nightmares, Bella researches about vampires. Convinced that he is a vampire, she finds herself in the state of bewilderment. Bella is saved by Edward again in Port Angeles when she is almost attacked. Driving a silver Volvo, Edward takes Bella to dinner and then back home. As they drive, she tells him of the stories that he is a vampire. Edward says he tried to stay away, finding her scent too desirable. Over time, Edward and Bella fall in love. Their relationship is affected when a nomad vampire coven arrives in Forks. James calls and claims to be holding her mother hostage. When Bella surrenders, James attacks her. Before he can finish her, Edward and other Cullens rescue her and kill James. He still attacks the girl. Edward prevents her from becoming a vampire, and she is treated at a hospital. After they return to Forks, they go to the school prom together. Bella says that she wants to become a vampire, but Edward cannot help at the time. Edward continues to refuse as he hates being immortal, and does not want Bella to suffer the same fate.

Main characters[edit] Isabella Swan - Isabella, who prefers to be called Bella, is a year-old girl. She moves from Phoenix, Arizona to Forks, Washington to live with her father. Her mother moves to Florida with her second husband. Bella has a kind and awkward personality that is more mature than most girls her age. As the novel progresses, Bella unconsciously learns how to make difficult choices and accept their consequences. He later realizes that his existence was completely pointless and without an aim. In Bella he finds compassion, love, acceptance and care. Rochester from Jane Eyre. When the Cullens try to protect Bella, James figures she will be the biggest hunt of his life. Upon first meeting, Bella is charmed and impressed by Jacob in many ways. Jacob learns that he is similar to Bella in many ways. Her father Charlie sees that Jacob is safe boyfriend material, the kind of guy he would approve her dating. Carlisle Cullen - Carlisle is a handsome, conscientious doctor. Development[edit] Meyer claims that the idea for Twilight came to her in a dream on June 2, She dreamed of a human girl and a vampire who loved her but still wanted her blood. Inspired by her dream, Meyer wrote the draft of what is now Chapter 13 of the book. She named the female lead Isabella, thinking she would have chosen that for a daughter. Rosalie and Jasper were originally named Carol and Ronald. She lettered the chapters instead of numbering them, Chapter 13 being E. The last chapter of the first draft kept getting longer and longer, so she wrote epilogue after epilogue. However, she realized that she wanted to explore many of the events in the backstory and the reasons behind the events in the chapters, so she planned to write a chapter backstory. Instead, these turned into twelve chapters by the time she was finished. An inexperienced assistant at Writers House responded to her inquiry, not knowing that young adult books are expected to be about 40, to 60, words in length. She uses a quote from Genesis 2: Awards and honors[edit].

Chapter 2 : Twilight: The Graphic Novel - Wikipedia

Twilight: The Graphic Novel is a graphic novel based on the first book of the *Twilight* blog. *quintoapp.com* is published by Yen Press. Volume 1 was released on March 16, , with an initial print run of , copies.

Twilight Meyer novel Bella Swan moves from Phoenix, Arizona to live with her father in Forks, Washington to allow her mother to travel with her new husband, a minor league baseball player. After moving to Forks, Bella finds herself involuntarily drawn to a mysterious, handsome boy, Edward Cullen and eventually learns that he is a member of a vampire family which drinks animal blood rather than human blood. Edward and Bella fall in love, while James, a sadistic vampire from another coven, is drawn to hunt down Bella. Edward and the other Cullens defend Bella. She escapes to Phoenix, where she is tricked into confronting James, who tries to kill her. She is seriously wounded, but Edward rescues her and they return to Forks. New Moon Main article: Bella goes into a depression until she develops a strong friendship with Jacob Black , who she discovers can shape-shift into a wolf. Jacob and the other wolves in his tribe must protect her from Victoria, a vampire seeking to avenge the death of her mate James. Due to a misunderstanding, Edward believes Bella is dead. They meet with the Volturi , a powerful vampire coven, and are released only on the condition that Bella be turned into a vampire in the near future. Bella and Edward are reunited, and she and the Cullens return to Forks. Eclipse Meyer novel Victoria has created an army of "newborn" vampires to battle the Cullen family and murder Bella for revenge. Meanwhile, Bella is compelled to choose between her relationship with Edward and her friendship with Jacob. Breaking Dawn Main article: Breaking Dawn Bella and Edward are married, but their honeymoon is cut short when Bella discovers that she is pregnant. Her pregnancy progresses rapidly, severely weakening her. Edward injects Bella with his venom to save her life and turns her into a vampire. A vampire from another coven sees Renesmee and mistakes her for an "immortal child". She informs the Volturi , as the existence of such beings violates vampire law. The Cullens gather vampire witnesses who can verify that Renesmee is not an immortal child. After an intense confrontation, the Cullens and their witnesses convince the Volturi that the child poses no danger to vampires or their secret, and they are left in peace by the Volturi. Main characters See also: List of Twilight characters Bella Swan: The protagonist of the series, teenager Bella is a perpetually clumsy "danger magnet" with dark brown hair and brown eyes. Edward is a vampire who lives with a coven of like-minded vampires known as the Cullen family, who feed on animals rather than humans. Over the course of the Twilight series, Edward falls in love with, marries, and then has a child with Bella. At first, Edward feels a mutual hatred toward Jacob Black because of his love for Bella, but in *Breaking Dawn*, he comes to see Jacob as a brother and friend. Like some vampires, Edward has a supernatural ability: Bella is immune to his power as a human, but learns how to lower this "shield" after her transformation to a vampire. A minor character in the first novel, Jacob is introduced as a member of the Quileute tribe. Although he is in love with Bella, she initially sees him as just her best friend. He and other tribe members can shape-shift into wolves. In *Eclipse* Bella realizes that while she does love Jacob, her feelings for Edward Cullen are stronger. Some events in *Twilight* take place in Phoenix, Arizona , where Bella was raised. Volterra , Italy , is featured in *New Moon* , when Edward travels there to commit suicide and Bella rushes to save him. Seattle, Washington , is featured in *Breaking Dawn* when Jacob tries to escape his love for Bella, and when Bella tries to locate a man named J. It is also the location of a series of murders committed by newborn vampires in *Eclipse*. Structure and genre The *Twilight* series falls under the genre of young adult , fantasy , and romance , though Meyer categorized her first book, *Twilight*, as "suspense romance horror comedy". When asked about the structure of the novel, Meyer described her difficulty in pinpointing the premise of the novels to any specific their category: I have a hard time with that. For instance, *Twilight* vampires have strong piercing teeth rather than fangs; they glitter in sunlight rather than burn; and they can drink animal as well as human blood. Of course, I was far too invested in my characters at that point to be making changes In particular, she says that her characters "tend to think more about where they came from, and where they are going, than might be typical. The dream was about a human girl, and a vampire who was in love with her but thirsted for her blood. Based on this dream, Meyer wrote the transcript of what is now

chapter 13 of the book. Following the success of *Twilight*, Meyer expanded the story into a series with three more books: *New Moon*, *Eclipse*, and *Breaking Dawn*. In total, it spent over 50 weeks on the list. Meyer has since put these twelve chapters on her website so that her fans could read them for free, [31] but has put the project on hold indefinitely due to her feelings about the situation. In any case, I feel too sad about what has happened to continue working on *Midnight Sun*, and so it is on hold indefinitely. The *Graphic Novel, Vol. The Official Illustrated Guide*, a definitive encyclopedic reference for the saga including character profiles, outtakes, a conversation with Meyer, genealogical charts, maps and extensive cross-references with nearly full color illustrations, was to be released on April 12, , after many publication delays since . The reimaged novel has a more conclusive ending, seemingly precluding its continuation through the remaining three *Twilight* novels. While the books have become immensely popular, they have also generated much controversy. Positive reception *Twilight* has gathered acclaim for its popularity with its target readers. *The Times* lauded it for capturing "perfectly the teenage feeling of sexual tension and alienation. Rowling and Harry Potter. I do think that we both have people who are just really really enthusiastic, and will come miles to see you and be involved, and everybody really cares about our characters. Economically, the town of Forks, Washington, the setting for the *Twilight* series, has improved due to tourism from fans of the books. Many have derided the series as poor writing. While comparing Stephenie Meyer to J. K. Rowling, they do so by engaging us with complexities of feeling and subtleties of character, expressed in language that rises above banal mediocrity. Their reward is something more than just an escape into banal mediocrity. We deserve something better to get hooked on. Lee Butler of Young Adult Library Services Association commented how he was unusually hesitant to stock the *Twilight* books in his library because he felt the books were "robbing [teen girls] of agency and normalizing stalking and abusive behavior. The *Twilight* books conflate Bella losing her virginity with the loss of other things, including her sense of self and her very life. Such a high-stakes treatment of abstinence reinforces the idea that Bella is powerless, an object, a fact that is highlighted when we get to the sex scenes in *Breaking Dawn*. To impressionable teens, domestic violence is almost romanticized. Today, the hidden message in the entertainment consumed by many impressionable teens is that if he hits you, it is out of love" which is absolutely wrong. She chose to move to Forks and be in a new place; she constantly faces a bunch of people who want to suck the life right out of her, and she is constantly pleading to become a vampire, too, so she can take care of herself and Edward. Smith won four of the seven causes of action, including his right to continue distribution of his copyrighted song, under the terms that he remove any reference to "*Twilight*" or the "*Twilight Saga*". The movie was released in the United States on November 21, *New Moon*, based on the second book in the series, *New Moon*. *Eclipse*, was released on June 30, *Breaking Dawn* Part 2 was released November 16, . Some notable conventions have been Twicon and a series of "Official *Twilight Conventions*" that are being held by Creation Entertainment.
