Chapter 1 : Undercover Princess / A Holiday Secret by Suzanne Brockmann - FictionDB

The Undercover Princess is a really nice, entertaining, twist on America's Cinderella type theme. I found the story line and the characters to be believable, very eccentric, and more than a little charming.

Ex-Army Major Hunter Barrett, settled in his civilian life, is now on a mission to claim the woman of his dreams or purge her from his life forever. Nate - I went undercover to get the place shut down. Not to fall for her Kathryn - It was just a job. The sexy seductive siren with me kiss-me-now lips is hard to resist, but he quickly discovers there are gaping holes in her story. Will it be she who is reformed, or will it be he who is changed in the process? But to rescue one of the beautiful inmates from her sentence of sexual slavery, he must save something else first - himself. Detective Hercules by A. Rose Detective Hercules Andrews and drive time radio dating expert Lizzy Harper bond over their respective injuries. Slave for a Day: Neither Svali nor Idan anticipated their job would mean masquerading as master and slave. But when both are up against pure evil, what will the ultimate price of justice be? I know I should try to help her, protect her, but then who will save her from me? Will the two undercover CIA Agents convince the gorgeous beauty that she is the submissive for them or will their undercover investigation tear them apart? A Night by my Fire by Addison Cain The risk River had taken saving a stranger bigger than a linebacker and as grateful as a psychopath put her in a bad position. Someone had left him to die But is he really just the handyman next door? A total geek at her core, when she is not writing, she adores attending the latest comic con or spending time with her family. She loves a good red wine, traveling just about anywhere, coffee and is absolutely addicted to a hot read with a happily-ever-after. She has a love of the non-traditional, preferring to create worlds that defy the imagination. Wine and sous vide cooking are only second to her love of golden retrievers and you might find all three nestled in the pages of a book or two.

Get this from a library! Undercover princess. [Suzanne Brockmann].

Time to switch tactics. Instead of sinking her nails into the steel band he disguised as an arm, she inhaled a deep breath. As her lungs expanded, her boobs pressed against his forearm. He went perfectly still. Now this was something she could work with. He could overpower her in a heartbeat, so she had to use whatever tools were at her disposal to distract, disarm, and defend. Hard Body got a hard-on, that could very well be her ticket to freedom. She lifted her chin, letting her left cheek rub against his hard pec as she tilted her face upward, and tugged at her bottom lip with her teeth as if she was a little slow and trying to work out all of the confusing details when in reality she was already ten moves ahead. He narrowed his gaze, but his lips twitched as if he were fighting off a smile. That might have been a step too far. Sometimes dialing down the drama proved harder than expected, but it was too late to pivot from her course now. The number popped in her head faster than an appropriate response. Then he shifted his stance and something hard, long, and thick brushed against her ass before moving away. She dropped her gaze and bit her lip for real this time. It was either that or moan in protest. The man had a smart mouth, a hard body, and questionable motives. In short, he was exactly what made her panties melt. Award-winning romance author Avery Flynn has three slightly-wild children, loves a hockey-addicted husband and is desperately hoping someone invents the coffee IV drip. Avery was a reader before she was a writer and hopes to always be both. Her heroines are feisty, fierce and fantastic. Brainy and brave, these ladies know how to stand on their own two feet and knock the bad guys off theirs.
