More than 30 years creating the best experiences in Costa Rica. We are passionate experts. We know every corner of our country and have the best team to handcraft amazing experiences in the most amazing places. We are committed to sustainability. Contributing to local communities, visiting national parks and sharing with the locals is part of our commitment. We have been awarded with the top scores of the Certification for Sustainable Tourism for more than 16 years in a row. The best of all I have arranged many international vacations, and Horizontes assembled an outstanding itinerary and greatly simplified the process at a small incremental cost. Dana Blumenfeld Levine Horizontes, Jose Huertas, worked with me for quite a long time and very patiently to put together a custom two week trip. We were able to reach every destination we wanted, and everywhere we enjoyed the nicest, best natured and patient guides, as well as very well informed. The transfers were very punctual and everything went very smoothly. I realized we only saw a fraction of beautiful Costa Rica, and only hope we can go back and see more! Paul Piergross Based on past reviews I chose Horizontes to prepare my itinerary that included 5 cities throughout Costa Rica - and they did not disappoint. The guides were more than helpful and knowledgeable making the trip very rewarding. The hotels offered clean rooms with marvelous views. The trip overall was a great experience which will rate up there with my favorites. Jack Brown The trip was more than we imagined! Selections and services by Horizontes were super. Airport pickup was flawless. Grano de Oro was excellent; the superior room delightful. The drivers were always on time, personable, and efficient and transport was modern and comfortable. Dantica Lodge is delightful, the food very good.
