## Chapter 1 : California Private Health Insurance Plan Ratings – NCQA

*Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.*

And expensive if you choose the wrong plan. This customized guide can help you quickly and easily learn which provider and plan best fits YOUR needs Almost everything about choosing Medicare Supplement Medigap Insurance can be confusing: And we show you ALL your options, unlike other guides that only show you a few choices from Medicare supplement providers typically paying them a fee or commission. This custom guide is designed to help you: We spell it all out for you in black and white Customized to your age, sex and residential zip code Choose from ALL available insurance providers. Save hundreds and in many cases, thousands of dollars in annual premiums Usually just minutes from your home Come to a decision faster and easier Without spending countless hours doing research and comparing dozens of complicated plans. And so much more No agents have it. No insurance company has it. No insurance commissioner in any of the 50 states has it either. Not even the federal Medicare administration has it! In fact, top universities and medical schools pay us each year to provide data and analysis. With peace of mind. We provide information on ALL Medicare supplement providers, giving you much more choice Your custom guide gives you the safety rating of every company we list for you. And our insurance ratings are the most accurate and trusted in the industry, confirmed by an independent government study What Will You Learn from Your Custom Medigap Guide? Get your customized Medigap guide today. Ratings for providers are as posted on weissratings. I found no one who seemed to offer an unbiased view of how it all worked. I ordered the guide and it offered a great explanation of Medigap and accurate comparisons. The guide gave me peace of mind knowing the advice my agent was giving me was accurate. It was well worth the price, and I recommend it to friends and family. None of them tells the whole story, and comparing them would be a Herculean task. I bought your guide, read it and have chosen the right plan for me. I love the guide. It tied everything together and saved me scads of time!
