## Chapter 1 : Wills, Trusts, and Estate Administration

*Succeed in your course and your paralegal career with WILLS, TRUSTS, AND ESTATE ADMINISTRATION, 8th Edition. This easy-to-understand text introduces the basics of estate planning and bequeathing property to others through wills and trusts, along with the laws and procedures involved, including the Uniform Probate Code.*

Packed with engaging, highly visual content enhanced by detailed exhibits and a writing style free of confusing legalese, the 8th Edition provides up-to-date coverage of substantive probate law, procedural law, tax implications, ethical considerations, and the roles paralegals and other professionals play in the process. Throughout the text, student-friendly case summaries, state-specific examples, detailed documents, practical assignments, and real-life contemporary issues prepare students for their careers as paralegals in this important area of law. Table of Contents 1. The Law of Succession: Death Testate or Intestate. Validity Requirements, Modification, Revocation, and Contests. Preparation to Draft a Will: Checklists and the Conference with the Client. Final Draft and Execution of a Valid Will. The Participants and the Proper Court. Types, Pre-Probate Duties, and Appointment. Probate and Estate Administration. Tax Considerations in the Administration of Estates. Sample Marital Deduction Testamentary Trust. Key terms in the margins draw student attention to essential topics; chapter review questions recap material after every section to reinforce understanding. Applying course concepts to these true-to-life problems helps students interpret findings on their own, while applying state-specific laws to each matter helps them see the different ways a Court might rule. The latest probate forms and tax returns help students visualize the process of probate and estate administration from start to finish. These features call attention to important ethical concerns relevant to the procedures discussed in each chapter. New to this Edition Point of Interest Features: Additional and updated real-life contemporary issues familiarize students with the types of issues and conflicts they will encounter as practicing paralegals and provide them with the hands-on practice they need to solve problems on their own. Key updates address the latest changes in probate law, the disposition of digital assets, as well as changes in the ethical guidelines that apply to paralegals and attorneys in the practice of law. Updated Documents and Graphics: Updated and revised forms, task examples, web resources, tables, charts, checklists, practical assignments, and illustrations facilitate better understanding of complex legal doctrines and principles. Condensed and Modern Coverage: The 8th Edition has been thoughtfully revised to eliminate outdated and redundant topics. It is easy to read and flows nicely. Hower is formerly a professor for the University of Minnesota. In , the university presented him with the Horace T. Morse Amoco Foundation Award for outstanding contributions to undergraduate education. In addition, she has chaired and served as the educational representative on many site teams evaluating paralegal programs. She has presented at many different forums on topics ranging from teaching effectiveness to handling adoptions. Chase College of Law. In addition to teaching in a traditional classroom setting, Emma has implemented distance learning classes into the program and has integrated technology into her traditional classes. She is also an active member of the American Association for Paralegal Education, serving on the national conference committee and presenting at regional conferences.
