Print Print by Going somewhere? Need to know where to stay that is queer woman-owned or “friendly”? Want a drink at the local girl bar? Hungry and want to eat somewhere that is gay- or lesbian-owned? Today, the guide is still in book form, but it has morphed into an app Gurl Scout and a website. Its older brother, the original LGTB travel guide, Damron, is celebrating its golden anniversary with its 50th collectable anniversary edition. At the height of the publishing and travel industry days in the s, says Gina Gatta, publisher and owner of San Francisco-based Damron, printed 50, guides a year, she says. The owner was there all by herself. Gina stayed for a bit and talked to the owner who gave her directions to find a cab, but still she got lost again and returned to the bar, but it was empty. She has great memories of Iceland and Copenhagen, which are two trips that she recalls fondly to this day. She receives calls and emails from customers daily thanking her for the guides. Damron has sponsored the event for more than 15 years, she says. Damron was also instrumental in helping to build the LGBT travel industry. A traveling Man The guides started in when Bob Damron, a gay man and the late founder of Damron, began recording the gay bars he found during his travels. By , he turned his little black book of gay lodges, bars, and restaurants into photocopied pocket guides known as the Damron Address Book until the mids when Dan Delbex bought the business in Gatta and two other business partners, whom she declined to name, inherited the company. The company was in a quarter of million dollars debt, but it was also the fat years of publishing before the internet. By the mids, Gatta and her business partners turned the company around. They paid off the debt and expanded the guides into Europe and South America. By the end of the s, Damron was out of the red and the company was getting back onto its feet. Damron, which was held in a trust for five years, was released and the partners reissued stocks in the private company to each other. In , the partners also began the process of Gatta taking full ownership of Damron. Gatta became sole owner of Damron in The late 90s and early s brought dramatic changes to the travel industry. Suddenly, the way people traveled changed dramatically. I chose to stay independent. Courtesy of Damron The Traveling Times The move allowed her to update her listings quickly and keep up with the rapidly changing LGBT community with two part-time staff and six freelancers who update the listings and provide content. So, I really do pride myself by the fact that my website is updated weekly. That fresh content and updated listings lead to more people subscribing to Damron. She still publishes a limited number of guides every 18 months rather than annually, she says. Plans in and this year fizzled after the deep recession took one business partner under and another ended up not being a perfect match.
